

The new LSTA Grant Cycle is just around the corner...

This workshop will show you what it takes to develop a great program idea from start to finish, and outline what it takes to write a winning grant.

What we'll cover:

- Developing great project ideas
- Conducting community needs assessments
- Assessing staffing and technology needs
- Project management
- Identifying community partners
- And more!

Affirming Our Mission: a Grant and Project Management Workshop

Wednesday, September 17, 2014, 9 am—1 pm at the Middletown Library Service Center

Speakers include Robin Osborne, former Director of Community Connections for the Westchester Library System (NY) and creator of www.firstfind.org; and Connecticut State Library Staff Dawn LaValle, Director of the Division of Library Development, and Maria Bernier, LSTA Coordinator.
