# Keep Tampa Bay Beautiful

([keepampabaybeautiful.org](http://keepampabaybeautiful.org))

All Parrot Heads know that the environment is a major concern for Jimmy. Recently, TBPH's 20 years of service was recognized. We go out to clean the beaches and raise money to donate to environmental education programs. Please sign up to volunteer for our next Cleeeeeean the Beaches day.

## Tampa Bay Watch

([tampabaywatch.org](http://tampabaywatch.org))

At our recent phlocking, TBPHs donated \$1600 to Tampa Bay Watch. Tampa Bay Watch is dedicated to the protection and restoration of the Tampa Bay estuary through scientific and educational programs.

## Ask Moma

### What Is A Parrot Head?????

A Parrot head is a fan of Jimmy Buffett's music. They like the things Jimmy sings about. They like to phlock together in a tropical life style. When Jimmy Buffet comes to town to do a concert parking lots look like beaches with tiki huts and plenty of adult libation. Parrot Heads Indeed!!!!!!

### Where did the name Parrot Head come from??

During a concert, Jimmy Buffett commented on the tropical type clothes and hats the fans wore and how they were as loyal as The Dead Heads. It was then that a member of the Coral Reefer Band, Timothy B. Schmit, coined the phrase Parrot Heads. He went on to join The Eagles.
