Ask Moma

What is a Team Drink? What do we say, why do we say it and where did it come from?

The Team Drink is said to acknowledge someone, celebrate something and to unite parrot heads.

“What Time is it?” “It's time for a team drink!”

Traditionally the first team drink goes to Jimmy Buffett. It is Jimmy's music that is the common link that unites parrot heads. The second team drinks goes to Capt. Harry and Sarah Sunshine for starting "this crazy ass club"!

When you were inducted into this club the phlock held up a "Team Drink" to you.

The Team Drink came from Capt. Harry and Sarah Sunshine. They heard the words “Team Drink” in Key West and made up the story. It goes this way. The pirates bring their "bounty" ashore, open the chest and the barrels of rum. They celebrate their success with THE TEAM DRINK.
