## Save the Manatees

(savethemanatees.org) / Facebook

Manatees are Florida's official state marine mammal.

Our mission is to protect endangered manatees and their aquatic habitat for future generations. Our objective is the recovery and protection of manatees and their aquatic ecosystems throughout the world. In order to accomplish our objective and goals we concentrate our efforts on reducing the negative impacts to manatees and their aquatic habitat caused by human activity through:

1. Increasing public awareness and education
2. Sponsoring research, rescue, rehabilitation, and release efforts
3. Advocating for strong protection measures, such as boat speed zones and sanctuaries
4. Taking legal action when appropriate

Jimmy Buffett helped establish the organization back in 1981.

Since TBPH first year in 1995, our members have raised funds over \$64,000.

TBPH is a Lifetime Member and have adopted Brutus as our manatee.

### Whiskey Joe's Specials

(gotta have your lanyard)

\$3 drafts or \$7 pitchers – Domestic beers

\$3.95 Wells

\$5 Wine, Margaritas, Capt Morgan

\$5.95 Rum Runners

Speaking of Buffett classics, the most famous of them all, "Margaritaville" has been inducted into the 2016 Grammy Hall of Fame for its cultural and historic significance. Only those recordings that have influenced and inspired both music creators and fans for generations are considered for this most special honor.

**The Parrot Head's Prayer**  
Our leader who art in Florida, Buffett be thy name  
In the name of phun, we'll drink some rum  
On the mainland as it is in the islands  
Give us each day, our trop rock songs and forgive our dancing  
As we forgive those who dance next to us  
And lead us into vacation, and deliver us from our vocation  
For thine is the lifestyle, the mindset and our whole latitude  
Forever and ever.....Amen

## Ask Moma

*Why do we kick off our shoes and toss them in  
the center during our circle dances???*

This is what I remember. After attending a business meeting Capt'n Harry (our co-founder) arrived at the meeting just in time to begin his "blah blah blah blah". Since Capt'n is barefoot most of the time, as he spoke he kicked off his shoes and they landed in the middle of everyone. You got it "Circle dance.....shoes off" It has been known that other parts of clothing have come off on occasion. (Doc topped it all when he threw in his artificial leg!)
