

## CAMPAIGN STATEMENTS

President/Captain:

Dorothy Bedlin "Lovely Lady"

Wow – my how time has flown!!!!

I have served as your President for the past 4 years and I have had a blast doing it! As a club, we've grown together and have made changes along the way. However, the most important thing that we have accomplished together is the continuity of living our motto, "Let's leave the world a little better than we found it...and have a blast doing it"! Through YOU and your generous hearts, we have raised money for our environmental charities and have championed drives for the troops and Shriners children. Our membership has grown and we continue to recruit and add people that "party with a purpose"!

I have the "heart of the club" and am like a Mama bear protecting her own. I'm passionate about the way the club is heading, have the heart of the club as my focus, and am the woman behind the curtain. I attend all events and am at every meeting – not because I have to, but because I want to be around "the greatest people in the world".

I'm constantly looking for new ways to improve the club and the club's status in the parrot head community. Tampa Bay is today a very respected club and many people look to us for advice and ideas.

We still keep to our roots..

\* Jimmy Buffet is played at our meetings and events

\* Cleaaaaannnnnnnnnnnnnnnnnnnn the beaches

\* Savvvvvveeeeeee the Manatees

\* Club involvement in environmental charities

I have been a member of Tampa Bay Parrot Head Club in Paradise, Inc. for 16 years. For those that don't know a lot about my past, I have been part of the Fruitcake board since 2005 and have held or supervised every position on the board. I'm very involved in every aspect of TBPH and am always available to our members and Fruitcake board.

Although I'm not a "vintage parrot head", I've been around a long time. The club has thrived under my supervision and I feel I will continue to benefit TBPH as your President for the next 2 years and appreciate your vote!

---

VicePresident/FirstMate:

Joyce Cavaliere " Kahlua Kutie"

I am a Tampa native. I lived in Orlando 11 years, then came back to my hometown.

As far as my professional background goes, I have been a Registered Nurse in Tampa for 30 years. In school, I served as Vice President of my class, and on different committees. I am honest and dependable. I am detail oriented and organized, somewhat of a perfectionist.

I am a Key Member of the Tampa Bay Parrothead Club, which I joined in October 1997. During that time I have volunteered when called upon, as all of our members have done as well, whether it be picking up garbage to keep our beaches clean (at times as team captain), pouring beer or cleaning up during Wazoo and Zoofari at Lowry Park Zoo, decorating and cleaning up for our Birthday and Christmas parties, and helping out at Jimmy Buffett concerts. I have worked at the membership table for our club. Throughout the years, I have been involved with club events, signing members up and helping out at the various events. For years, I sold raffle tickets, then I was in charge of our raffle. I was previously a Member at Large. I have worked the registration table and sold

raffle tickets at Music on the Bay, and have ensured that all volunteer stations were well staffed, and provided support and leg work for the Co-Chairs and other committee heads and members. .

I am currently serving on my first term as First Mate, and in that role I oversee the Welcome Court and Membership and maintain the volunteer list. I am there to assist our President/Lovely Lady in managing the affairs of the club.

I believe I would be the best candidate for the First Mate of the Tampa Bay Parrotheads since I have been in the club for going on 19 years, and also based on my involvement in so many aspects and roles in the club. I have made old friends, and continue to make new ones. I love that we are able to support the many charities along the way, and have a blast doing it! I have always put our club first and foremost. I have and will continue to dedicate my time and effort in to making our club to be the very best!

---

Treasurer/Purser:

Jennifer O'Connor

Greetings to my Tampa Bay Parrot Head Friends and Family.

First and foremost, please allow me to express my gratitude to such a wonderful group of people and to share with you my excitement regarding my decision to run for another term of office for the greatest club in the world.

For those of you who don't know me, my name is Jennifer O'Connor and I have been a member of the Tampa Bay Parrot Head Club for more than 13 years. A few years ago, I served as Yeoman on the TBPH

Board, under Captain Harry, and enjoyed every minute of it. I have also served as your Treasurer for the past two years, and am ready to serve again and give back to the club who has given so graciously to me over the years with family, friendship, and caring.

I currently hold an under graduate degree in Accounting and a Master's Degree in Finance. I have been professionally active in the accounting/finance field for almost 30 years, and currently hold the position of Finance Director with PricewaterhouseCoopers, where I have worked since arriving in Tampa over 16 years ago.

I am professionally responsible, trustworthy, and capable of serving this club as Treasurer. I have held the office of Treasurer over the years with other organizations, including homeowners associations, school PTA's, and sports clubs. I know what is required of this office and am fully willing and prepared to fulfill the duties and responsibilities.

If elected, I will fulfill the duties and responsibilities to the best of my ability and, as well, will collaborate with the rest of the Board to ensure all decisions are made with the best interests of the club in mind. I look forward to this election and hope you will find me a desirable candidate and vote for me in the upcoming election.

Thank you from the bottom of my heart for your attention this evening. Bless all of you and please drive home safely.
