Donations for Alzheimer's Walk

Beverly Gilliam is our Parrot Head lead in this endeavor.

Each meeting, we will be passing a bucket to collect donations for the Oct 29th Walk.

Can't make a meeting? You can donate online.

http://act.alz.org/site/TR/Walk2016/FL-FloridaGulfCoast?pg=entry&fr_id=8906

Walker name: Beverly Gilliam

Team: Pop Top Parrots

Why We Walk:

In 1994, Jimmy's Buffett's father, James Delaney Buffett, Jr. was stricken with Alzheimer's disease and passed away at age 83 in May of 2003, several years after being diagnosed. It was then that many clubs elected to do something as a tribute to Jimmy's father. Our PHiP chapters not only support Alzheimer's to honor Jimmy's father but because we're seeing this devastating plague insinuate itself into our own ranks.

In addition, we'd like to state that Parrot Heads are unique. We take our fundraising responsibilities seriously, but at the same time we can add our own humor into the question **Why We Walk** as well as our own creativity into fundraising.

We invite everyone to join us as we **Party With A Purpose** for Alzheimer's by donating to the Tampa Bay Parrot Head chapter today! You leave this world a little better with the eradication of Alzheimer's and having a blast while walking to end Alzheimer's.

JoAnne Elefterion (HillsboroughFLStriders@cancer.org) is our lead Parrot Head.

Once again I will be participating in the American Cancer Society's Making Strides Against Breast Cancer Walk being held October 22. **In January I will celebrate my 5th year as a survivor.**

Thanks to all who have donated and participated in my annual raffle / fund raising events the amount I collect has grown with each year. This year my goal is now **\$3100**.

I appreciate all your support and want you to know that no amount is too small.

Did you know that many employers will match your donation? You can find out if yours is one of them by checking their name on the ACS site.

Once again I want to thank all of you for being so generous every year and I pray that one day cancer will be a disease of the past,

God Bless you all. JoAnne Elefterion

Jimmy Buffett's new Christmas album "Tis The SeaSon" is now available for pre-order from Mailboat Records and Amazon.com (release date is October 28, 2016).

Born on Christmas, it seems apropos that Jimmy Buffett would be the perfect person to perform your holiday favorites! 20 years after his platinum-plus selling holiday album, Jimmy returns with a new installment, soon to be a classic! Recorded in 6 cities while on breaks during his 2016 summer tour, the 13 track album includes 9 traditional songs, 3 new originals, and a very special Parrot head version of the The Twelve Days of Christmas.

The music world lost a gifted musician way too soon. David was a guitarist for Southern Drawl Band. Here is a letter from Mike Nash.

Jim was a Cosmic Magician
and a true Rock Star
people would come hear him play
from near and from far
His music and his words
brought so many people together
we will all be his fans
and friends forever
When he would strum his guitar
and sing his stories without a care
we would all laugh, drink and
throw rubber chickens in the air
He loved fishing and drinking
and not necessarily in that order
and he loved to travel
to so many places south of the border
He was never overly classy
nor was he plain
and at the after party
oh how he loved John's champagne
He wrote what he knew
and about what his friends do
he even put me in a song
but my 15 minutes of fame
didn't seem to last all that long
Whether he was on the road
or playing here in town
his friends and his fans
would come from round and round
He would have huge crowds wherever he
played
and when he was done
no one wanted to leave
that he was taken from us so suddenly and is
truly gone
is still so very hard for me to believe
Jim loved what he did
and he dearly loved his wife
if we were only so lucky
to live such a life
He will always be remembered
his songs will live on
sail on my friend
to the great beyond

Mark and Sharon and the Yard have always held a special place for each one of us in Southern Drawl. For us, it was our very first experience with a house party which we now play all over the country...but you never forget your first. I remember the first time we brought David and JD for their first house party there. Dave looked at me and said "so let me get this straight, we're driving all the way to Tampa to play in someone's back yard??" (At the time for him, probably not a venue he aspired to grace the stage of when he picked up the guitar as a young child lol) To which I replied "no, we're driving all the way to Tampa to play in Mark n Sharon's back yard". It didn't take him long after we got there to figure out exactly what I meant. We played to a packed house and stayed the night and the fire was still going the next morning. We all shared breakfast and got to know each other a little bit better. It was a memory we all cherish to this day, and now a memory of my brother I'll likely cherish forever.

David Crabtree (Crow) was only in our lives for less than three years. To be honest, he drove me crazy about equally as much as I admired him. But that's what brothers do I guess. I never directly asked him, but I feel like if he were honest, all of our Trop Rock family made him feel important, loved and admired from day one. Made him feel like a star. I can't say with certainty that may have ever happened to him before, but I know it did here. You, our extended family in Tampa, Trop Rock, Parrotheads and The Yard are a very unique brand of fans. Because you're not just fans, you're friends and family. That's what we all need to get through these curve balls life throws that we can never reach. You know one of the greatest attributes of our community is the amazing ability to band together and help each other thru these sad a trying times. Thank you for making us part of that family...of your family...of OUR family. I know so many of you loved our David, please know that he loved all of you as well.

So raise up a glass and remember the good times; he may be gone, but he'll never be forgotten. In the words of a great man: "I once knew a poet who lived before his time". We love all of you.

Ask Moma

Q: I am a new member of the TBPH. The Parrot Heads have a very warm welcoming group which made me feel like I belonged right away. I went to my first beach clean-up and actually ENJOYED picking up disgusting, smelly trash. Go figure?! My wife can't even get me to clean the garage. Why is this?

A: Hooray for you! Phlocking with the Parrot Heads at a cleanup is a happy feeling because we know that we are giving back to the community. Everyone does a little work so we can have a BIG party later. Now be a good Parrot Head and CLEAN YOUR GARAGE!
