

Logic Is Fundamental 2019 Summer Camp for High School Students

[Apply to Logic Is Fundamental today, Deadline April 30th!](#)

**Learn Logic @ Logic Is Fundamental
July 15 – July 26**

<http://intrologic.Stanford.edu/logicisfundamental/>

Stanford's campus, where we use its classrooms and draw on the resources of Silicon Valley and the Bay Area.

Learn Logic through a computational perspective with applications in mathematics, science, engineering, business, and law.

Join only 31 other students in challenging coursework, engaging lectures, team and individual exercises, projects, puzzles, special events, and guests.

Taught by a Stanford Computer Science professor and logician and an award-winning High School teacher.

Who:

Rising 9th–12th grade students

*Need knowledge of symbolic manipulation as taught in Algebra I and comfort with sets, relations, and functions

When:

July 15-19, July 22-26

9am–4pm, daily

Where:

The Gates Computer Science Building on Stanford's campus.

This is a non-residential camp.

Cost:

\$2,000 per participant.
