The Connecticut Library Consortium, Inc. (CLC) is a statewide non-profit cooperative library service unit serving over 800 Connecticut libraries of all types (academic, public, K-12 school and special) by helping them serve their users more efficiently and cost effectively. CLC achieves its mission by negotiating and facilitating group discounts on critical library related products and services, managing regional cooperative programs, creating and supporting timely educational and professional development, and fostering innovation.

CLC is seeking enthusiastic, dedicated CLC members to join our diverse Board of Trustees. Our Board of 15 is comprised of library leaders from all types, sizes and geographic areas in Connecticut. Board members are required to attend the majority of the meetings including the Annual Meeting (usually June) and cannot miss more than 4 meetings a year. Members who cannot attend in person have the option to attend by telephone or videoconference.
