Energy®

Dear Educator:

I am pleased to present the 2020 Dominion Energy Schooltime Performance Series. This series offers a wide range of performing arts experiences designed to engage young people in the magic of live performance in the setting of a unique national treasure – the recently restored 1926 Moroccanstyle movie palace – the Garde Theatre. Only at the Garde can students throughout the region come together for a first-class performing arts encounter that will set a standard for appreciating the arts and the world in which they live. The value of live performances cannot be overstated. Here your students will see work by some of the nation’s finest theatre and dance companies. The Series is designed to reinforce the curriculum of the classroom and explore important social issues, unleashing their imaginations and inspiring your students’ own creativity

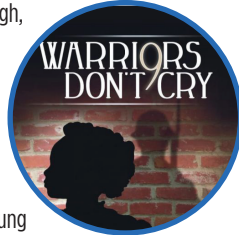

As always, I welcome your feedback on our programs and your suggestions for future performances. I look forward to seeing you and your students at the Garde!

Sincerely yours,

Steve Sigel
Executive Director
