Introduction to Media and Information Literacy

<https://www.youtube.com/watch?v=TAdkzxB4WFo>

Media & the Mind: Crash Course Media Literacy #4

You are constantly surrounded by media, so the question is: how does your brain handle all of that? The unfortunate answer is that our brains have a lot of processes that not super helpful for media literacy, but hopefully with a little self-awareness, we can work around that.

<https://medialiteracyweek.us/>

This year, the theme for U.S. Media Literacy Week will celebrate one of the five components of media literacy's definition each day of Media Literacy Week: **Access, Analyze, Evaluate, Create, and Act**. Check out this link for a full breakdown of each component and additional resources, lessons, and activities.
