Participants will *begin* developing a library curriculum by:

- Reviewing the structure of the AASL standards
- Identifying priority standards
- Developing enduring understandings and essential questions for the priority standards
- Developing benchmarks for grades 2, 5, 8, 10 & 12 (for the grade levels that apply to your school or district)
- Writing objectives for grade level bands
- Creating a scope & sequence

Outcomes:

- Increase knowledge of the curriculum development process
- Understand how the AASL standards shape the curriculum
- Use the templates provided to begin developing a library curriculum aligned to the AASL Standards
