

Looking for a replacement for Jamboard? FigJam might be just the thing.

Join us for CASL's first TechIT event of the 2024-25 school year!

Our TechIT group (formerly CECA) is a tech community for ALL educators.

Please forward to any educators who might be interested!

September 24, 2024

6:30 p.m.

Virtual Event

Join us online with David Curran of FigJam for an introduction to this free tool. Figjam is a great replacement for JamBoard. It is now student data privacy approved in the state hub.

This event is open to all educators. Please forward as appropriate.

Register at <http://www.ctcasl.org>

This event is **FREE for CASL members**. If you are not a CASL member, \$20 will pay for this event AND access to the recording AND you will receive a one year CASL membership - a \$40 value! CASL members have access to recordings of all the Professional Development webinars and information about upcoming events.

(New CASL members only. Renewals after the 1st year will be at the regular \$40 membership price.)

We welcome educators of all kinds!

More information and online registration: [Introduction to FigJam](#)

Best regards,
CT Association of School Librarians
