The
LT. GOVERNOR'S
Computing Challenge
is BACK!

ATTN: EDUCATORS!

Inspire your students grades 3-12 to explore CS and develop essential skills by leveraging coding and innovative thinking to tackle real-world challenges.

No experience needed, so

WHAT ARE YOU WAITING FOR?

Get your students coding *today!* Get them thinking about their 2025 LGCC submissions!

Missed the 2024-25 kickoff livestream event?

No problem: kickoff webinar recording *here*

info@ltgovcc.org

The LGCC is powered by **ReadyCT**, a leader in career-connected programming, in partnership with
