AI Unplugged Skill Share

& Unplugged Computer Science
Resource Share

November 10 • 6:30 p.m.

Wallingford Public Library

Calling elementary, middle & high school educators!

- Bring an unplugged computer science activity you use in class and be ready to share.
- Share how it works, what students learn, and the materials needed.
- Bring handouts, materials, or resource links.

**Come with an activity.
Leave with fresh ideas!**
