DJ SHANE WRIGHT

AUGUST 2ND - 6:30 PM - WHISKEY JOE'S

Shane "Big Sexy" Wright joined the Tampa Bay Parrot Heads in 2007 (this marks 10 years) as a way to meet new people. Shane and his wife moved here from Greenwood Indiana, so it was great way to meet new people.

His favorite Trop Rock artist are: Jim Asbel, Rich Schooner Mcquire and the Boat Drunks.

Shane's favorite Buffett moment is a toss up — either being in the first two rows at the Free Democratic concert held at the fairgrounds or seeing him a couple of weeks ago in historic Wrigley Field.

Besides playing music, Shane also does the new member indoctrination.

Back in the early 90's he lived in Hollywood and worked with some rock bands. The two biggest bands have been Guns 'N Roses and Blind Melon.

CONNIE & PATRICK

AUGUST 16TH - 6:30 PM - WHISKEY JOE'S

Imagine for a moment, being at a tropical vacation paradise with the sun shining, palm trees swaying in the breeze, and the sound of waves crashing upon the sand.

De Lei'd Parrots would like to help you escape to this state of mind through their music with a tropical flair. With decades of combined professional music experience and appearing at many respected venues across the country, they lace their repertoire with oldies, standards, trop-rock, dance tunes, and originals.

Why it's so kool to attend a TBPH Phlocking....

Music: every meeting, live music from the best of the Trop Rock scene

DRINK SPECIALS: Martha and the bar tenders offer up the coldest libations

FOOD BUFFET: Whiskey Joe's supplies food for the Parrot Heads. (gotta have your lanyard, and it's FREE)

RAFFLE: Denise & Jen scour the storage areas, flea markets and AMAZON for PHantastic gifts.

TRIVIA: Ok, sometimes we offer up questions with swag prizes.

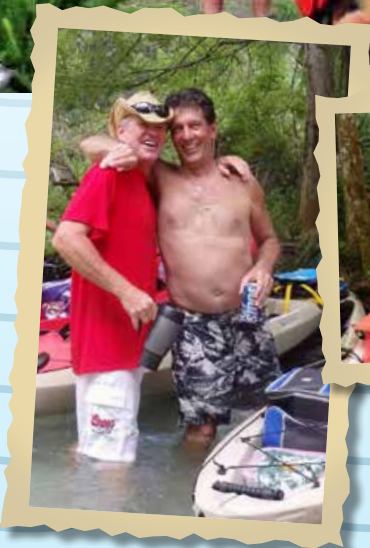

.....and it's all on the **BEACH** with the **PHUNNEST PHOLKS** you can meet!!!

When it is time for De Lei'd Parrots to bring forth the party, these talented, professional musicians will take you on a magical, musical journey, but will always bring you back safe and sound to your home port. They are currently recording a new CD, but you can take some of the party home now with their current CD "Rock Your Flip Flops Off!". Audiences are always amazed at the versatility of music that this high-energy group is able to perform, allowing them to satisfy almost all musical tastes. They truly create the on stage excitement that makes each show an event, whether performing as a duo, trio or full band. Favorites for Parrot Head parties, private functions, corporate group events, and conventions. Good-time musicians that take their music seriously while trying to create the ultimate "Tropical Island Paradise" atmosphere for their audiences. Visit the website at www.deleiedparrots.com.

Buffett may perform in Key West next year

From the Key West Citizen: "City, Buffett in talks to play amphitheater"

The first national act to perform at the amphitheater at Truman Waterfront Park could be a familiar face, as city officials are in talks with Jimmy Buffett to perform early next year.

"They're interested in doing a concert in Key West and we're in discussions with them," Mayor

Craig Cates said. "The promotion company is trying to figure out dates."

The "Margaritaville" singer plays his former Key West home every few years and wrote a letter in support of the

amphitheater when the project was in its formative stages.

The amphitheater's draft business plan calls for three major events in the opening year.

The city has a plan to hire a commission-based event manager that is moving forward, with contract requests going out within the next month, Cates said.

"There's a vocal minority that is against the amphitheater but the vast majority is in full support of it," he said.

A Buffett concert will go a long way toward justifying the \$4 million project, Cates said.

"It would put the amphitheater on the map right off the bat," he said. "I think it's going to be hugely successful."

Escape
-to-
Margaritaville

More than a musical.
It's a way of life.

Plan your escape to the new musical about the choices we make—and the people we become—once we've had a change in latitude.

ESCAPE TO MARGARITAVILLE is the musical comedy getaway featuring both original songs and your most-loved JIMMY BUFFETT classics, including "Come Monday," "Volcano," "Cheeseburger in Paradise," and many more. With a book by Emmy® Award winner GREG GARCIA ("My Name is Earl," "Raising Hope") and Emmy® Award nominee MIKE O'MALLEY ("Survivor's Remorse," "Shameless"), this rousing and refreshing new production is choreographed by Tony Award® nominee KELLY DEVINE (Come From Away, Rock of Ages) and directed by the Tony Award® winner CHRISTOPHER ASHLEY (Come From Away, Memphis).

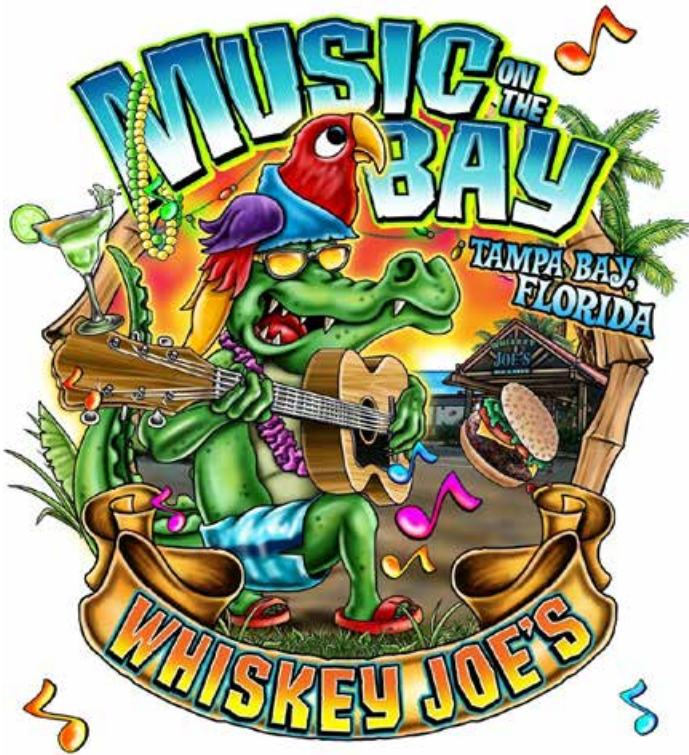

Imagine a place where the sun is hot, the water's warm, and the drinks are as cold as they are plentiful. Welcome to Margaritaville, the island paradise where city folk get away from it all, and the locals get into the kind of trouble you can almost always sweet talk your way out of. Take a break from your troubles, make some new friends at the bar, and kick back to the soothing sounds of the kettledrum. It doesn't get much better than this. All you need now is a ticket.
