MICHAEL WEISS

DECEMBER 6th - 6:30 PM - WHISKEY JOE'S

www.michaeljweiss.com/news/

Michael's natural ability as a storyteller through song welcomes audiences into his music with a unique sound and a genuine personality. Through stellar songwriting, powerful vocals and memorable hooks, Michael

creates music that truly captivates listeners and keeps them hanging on every word. While his earlier catalog chronicles travels through thoughtful, quick witted lyrics, Michael's studio album, *Grounded*, delivers personal stories about putting down roots.

The highly-anticipated follow-up "Bulbs of Daylight" is HERE! Thanks to everyone that supported the project through Kickstarter. Michael was able to involve some amazing musicians (and friends) that really helped make the songs come alive. Currently the "Bulbs of Daylight" is available everywhere online music is sold. Download it today from iTunes.

CHARLIE IMES

DECEMBER 20th - 6:30 PM - WHISKEY JOE'S

www.charlieimes.com/

When singer-songwriter Charlie Imes penned the rhyme "I'm leaving behind a trail of sand, bringing my beach all across this land," he didn't just have the basis for the title track of his forthcoming album. He summed up his approach to life.

Imes comes by his coastal vibe honestly. He honed his craft on the beaches of California from an early age, entertaining friends around the fire pit with his guitar, songs and stories. But dreams of a music career got sidetracked by office work, the launch of a legal services firm and a brief stint in San Diego politics.

Why it's so kool to attend a TBPH Phlocking....

Music: every meeting, live music from the best of the Trop Rock scene

DRINK SPECIALS: Martha and the bartenders offer up the coldest libations

FOOD BUFFET: Whiskey Joe's supplies food for the Parrot Heads. (gotta have your lanyard, and it's FREE)

RAFFLE: Denise & Jen scour the storage areas, flea markets and AMAZON for PHantastic gifts.

TRIVIA: Ok, sometimes we offer up questions with swag prizes.

.....and it's all on the **BEACH** with the **PHUNNEST PHOLKS** you can meet!!!

It was surviving stage 3 colon cancer and a serious bout of diverticulitis a little more than 10 years ago that brought Imes back to music. He was in the midst of a painstaking recovery when his doctor advised him to eliminate stress from his life. So he ditched the suit and tie, strapped on his guitar and has never looked back.

His performance style has stayed true to those early times. Whether imparting his laid back, jazzy folk rock sound or directly addressing his audience, Imes is a above all storyteller. The songs he chooses, whether his own or borrowed from other musicians, speak to his life experiences, nuggets of which he shares with his audience.

I Heard I Was In Town

Plan your escape to the new musical about the choices we make—and the people we become—once we've had a change in latitude.

ESCAPE TO MARGARITAVILLE is the musical comedy getaway featuring both original songs and your most-loved JIMMY BUFFETT classics, including "Come Monday," "Volcano," "Cheeseburger in Paradise," and many more. With a book by Emmy® Award winner GREG GARCIA ("My Name is Earl," "Raising Hope") and Emmy® Award nominee MIKE O'MALLEY ("Survivor's Remorse," "Shameless"), this rousing and refreshing new production is choreographed by Tony Award® nominee KELLY DEVINE (Come From Away, Rock of Ages) and

directed by the Tony Award® winner CHRISTOPHER ASHLEY (Come From Away, Memphis).

Imagine a place where the sun is hot, the water's warm, and the drinks are as cold as they are plentiful. Welcome to Margaritaville, the island paradise where city folk get away from it all, and the locals get into the kind of trouble you can almost always sweet talk your way out of. Take a break from your troubles, make some new friends at the bar, and kick back to the soothing sounds of the kettledrum. It doesn't get much better than this. All you need now is a ticket.
