## Hellooooooooooooooooooooooooooooo Tampa Bay Parrot Heads...

I hope you had a wonderful Holiday season and brought in the New Year with gusto!

TBPH kicks off another EPIC new year with a meeting at Whiskey Joe's on 1/3/18, 6pm til ??????. Sunny Jim will be here to entertain us.

Looking back on 2017, I am sooooooooooooo very proud of each and every one of you that give of their time, effort and passion to "Party with a Purpose" and assist TBPH in raising money for its' charities. In total this year \$73,250 was raised, we cleaned Parrot Head Island (6 miles of shoreline along the Courtney Campbell Causeway) four times in 2017, assisted with the scallop count and planted grass at Tampa Bay Watch & donated over 1500 volunteer hours to community events. In June, we collected 347 pairs of flip flops for the Family Resource Center to benefit underprivileged children, teens and adults at risk.

During the Holiday party we collected Toys for Tots, canned and boxed goods for Metropolitan Ministries and pet toys and food for Pinellas Animal Shelter.

**Have you registered for Music on the Bay???????** Deadline to receive a goody bag is 1/14/18 and the price will increase to \$90 (online fees may apply) on 1/15/18.

## JAMES "SUNNY JIM" WHITE

**JANUARY 3rd • 6:30 PM • WHISKEY JOE'S**

<http://www.sunnyjim.com>

Sunny Jim White has been writing and performing his own music since he was a teenager in California. After college he decided to follow his passion for music and make it a career. After more than a decade on the music scene in Northern California,

and a short stint in Nashville, his career path turned south to the Caribbean. For 12 years he lived in the Cayman Islands as artist-in-residence at the Hyatt Regency Grand Cayman, one of the finest resorts in the Caribbean. In 2000 he left the expatriate life in the Caribbean and moved to Florida's beautiful Suncoast, where he now lives near Sarasota.

He writes what he knows from experience, and just released his 10th CD of original music. Beach songs, romantic ballads, fun-loving and upbeat Soca and reggae tunes, sailing adventures - songs that tell stories of life in the Caribbean and the tropical sunshine. Taking his music from coast to coast in the U.S. for Parrot Head Clubs and other people who love the island lifestyle, travels also take him to exotic destinations which inspire more music!

## JOHN FRINZI

**JANUARY 17th • 6:30 PM • WHISKEY JOE'S**

<http://www.JohnFrinzi.com>

Its Jersey roots and Florida uibe time with John Frinzi!!!

A gifted singer and songwriter, skillful on both guitar and piano, John Frinzi has built an audience through craft and originality.

An early demo caught the ear of legendary steel guitarist and long time Coral Reefer Band member Doyle Grisham, and their working relationship led to John's first CD, "Into The Dawn."

### Why it's so kool to attend a TBPH Phlocking....

.....and it's all on the **BEACH** with the **PHUNNEST PHOLKS** you can meet!!!

His second album, "Shoreline," showcases Frinzi's versatility as a songwriter and vocalist with many of the songs co-written by Tom Corcoran, co-writer of the Jimmy Buffett classics, "Fins," and "Cuban Crime of Passion."

Most recently, John teamed up with multi-platinum Songwriter and Producer Aaron Scherz on their singles "Summer Sun" and "Lyn' or Lucky".

# I Heard I Was In Town

Plan your escape to the new musical about the choices we make—and the people we become—once we've had a change in latitude.

ESCAPE TO MARGARITAVILLE is the musical comedy getaway featuring both original songs and your most-loved JIMMY BUFFETT classics, including "Come Monday," "Volcano," "Cheeseburger in Paradise," and many more. With a book by Emmy® Award winner GREG GARCIA ("My Name is Earl," "Raising Hope") and Emmy® Award nominee MIKE O'MALLEY ("Survivor's Remorse," "Shameless"), this rousing and refreshing new production is choreographed by Tony Award® nominee KELLY DEVINE (Come From Away, Rock of Ages) and

directed by the Tony Award® winner CHRISTOPHER ASHLEY (Come From Away, Memphis).

Imagine a place where the sun is hot, the water's warm, and the drinks are as cold as they are plentiful. Welcome to Margaritaville, the island paradise where city folk get away from it all, and the locals get into the kind of trouble you can almost always sweet talk your way out of. Take a break from your troubles, make some new friends at the bar, and kick back to the soothing sounds of the kettledrum. It doesn't get much better than this. All you need now is a ticket.

## Radio AIA Party Cruise to Paradise

The 2017 hurricane season was one for the record books, hitting Houston, the Keys — along with most of the state of Florida — and causing catastrophic damage to many of the Caribbean islands.

The Radio AIA Party Cruise aboard the Carnival ship Glory was not unaffected. Ports changed. Some artists who were scheduled to appear suffered damage to their own homes and were unable to make the cruise as were a number of Parrotheads and Trop Rock fans.

Organizers Lyle Wilson and local Trop Rock artist Darrell

Clanton were not to be denied, however. Bailing out the sinking ship, they forged on and put together an impressive group of talented Trop Rock artists who delighted attendees on several occasions with their songs, stories and humor.

Despite challenges presented by Mother Nature's timing and Carnival, once it was all over the cruise turned out to be such a success that Lyle and Darrell were ready to turn around and do it all over again! No dates have been announced yet, but watch for the next Radio AIA Cruise to leave port, possibly in early 2019. Aruba anyone?

Left to right: Lyle Wilson of "Weekdays with Wilson" and Trop Rock Award winning Radio AIA, Bert and Sassy, Ty Thurman, Poppa Tommy, Troy Powers and Pinellas Beaches singer/songwriter Darrell Clanton.

## Letter from Tampa Bay Watch

<http://www.tampabaywatch.org>

Dorothy,

Again, Tampa Bay Watch, wants to extend our appreciation for your ongoing support. The gift of \$2,400 from the Tampa Bay Parrot Heads will continue to help our restoration efforts for our habitat. Currently, we have been installing oyster domes at McKay Bay and this week will be at MacDill Airforce Base. It takes a lot of dollars and manpower (each dome weighs 220 lbs.). These oyster domes will create a barrier to prevent shore erosion as well as filter the water. One oyster can filter 2 to 10 gallons of water in one hour! By protecting our estuary, we enjoy the production of marine life so...

thank you again!

Wishing you and all the Parrot Heads a lovely holiday.

Cheers,  
Pamela

# DONNY BREWER @ THE Yard

The show must go on and nowhere was that more evident than on December 16th at the Yard. Donny Brewer, who won six 2017 Trop Rock Music Association awards, performed for a holiday audience, despite suffering from the flu. His voice was almost gone by the second half of the show, but the festive audience was willing and able to help out!
