BILL COCKRELL DUO - HIGH TIDE

FEBRUARY 7th - 6:30 PM - WHISKEY JOE'S

<http://www.hightideband.com>

High Tide is a tasteful blend of classic and contemporary beach party rock and dance music from the 50's to the 00's. The band is a duo, based in the Orlando and Central Florida.

Bill and Carl have been playing in various bands for over 35 years, and together as High Tide for over 15. Their musical repertoire is composed of classic beach party artists such as Jimmy Buffett, Van Morrison, and Bob Marley. They also perform classic rock by artists such as The Beatles, CCR, Tom Petty, and The Eagles along with dance party music favorites such as KC and the Sunshine Band, Kool & The Gang, and Stevie Wonder. Their music blends their love of the surf, sand, and sun with current demands of today's sound.

High Tide is now also available as a full band to fit any musical requirement. This now gives you the ability to hire them from a solo performer or duo, all the way up to a 5 piece band including drums, bass, guitars, and steel drums and anything in between.

Audiences are always amazed at the versatility of music that the band is able to perform, allowing them to satisfy almost all musical tastes. Their instrumentation comprises acoustic and electric guitars, mandolin, flute, and exceptional vocal harmonies, blended with sequenced accompaniments. They are perfectly suited for conventions, outdoor events, waterfront areas, clubs, cruises, weddings, and parties. High Tide has two independently released CD's.

Email them at: bcockrell@hightideband.com

FEBRUARY 21st - 6:30 PM - WHISKEY JOE'S

<http://www.sunnyjim.com>

Déjà vu! Sunny Jim is returning to Whiskey Joe's!

Kick your shoes off, dig your toes in the sand and get into an Island state of mind. You've probably heard my music on Jimmy Buffett's Radio Margaritaville or on one of the online Troprock radio stations across the U.S. With a rockin'

guitar, a rhythmic steel drum and backup tracks, I perform my own music and popular covers for corporate events, parrothead parties, private events and house concerts. If you're looking for entertainment, get in touch. Find us on Facebook or join our mailing list!

TBPHC Phlockings January 3rd & 17th

WHISKEY
JOE'S

The phlock welcomed in 2018 with a meeting at Whiskey Joe's January 3rd on an unusually chilly evening by Tampa Bay standards. The fun was brought indoors where the music of Sunny Jim White was a breath of warm air throughout the bar area. Memories of Cheryl "the Slut" Skelton were shared before her Celebration of Life held the following Sunday at the Yard. Fireball Steve was busy working the crowd, taking orders for the MOTB Harlequin Monkey with proceeds going to Shriners Hospital for Children.

The water was still cold for the January 17th meeting so everything stayed indoors. John Frinzi was the entertainment for the evening.

Plan your escape to the new musical about the choices we make—and the people we become—once we've had a change in latitude.

ESCAPE TO MARGARITAVILLE is the musical comedy getaway featuring both original songs and your most-loved JIMMY BUFFETT classics, including "Come Monday," "Volcano," "Cheeseburger in Paradise," and many more. With a book by Emmy® Award winner GREG GARCIA ("My Name is Earl," "Raising Hope") and Emmy® Award nominee

MIKE O'MALLEY ("Survivor's Remorse," "Shameless"), this rousing and refreshing new production is choreographed by Tony Award® nominee KELLY DEVINE (Come From Away, Rock of Ages) and directed by the Tony Award® winner CHRISTOPHER ASHLEY (Come From Away, Memphis).

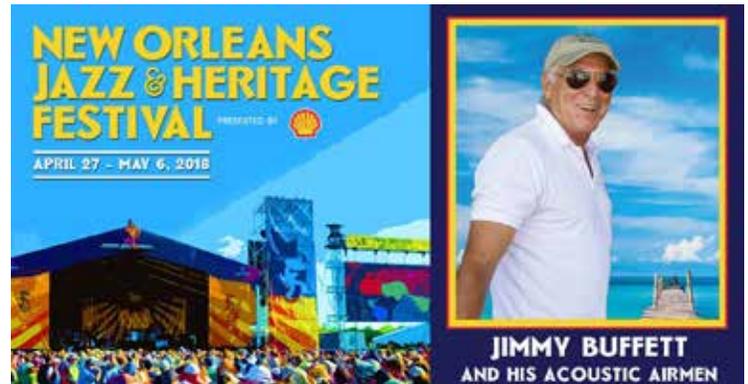

Imagine a place where the sun is hot, the water's warm, and the drinks are as cold as they are plentiful. Welcome to Margaritaville, the island paradise where city folk get away from it all, and the locals get into the kind of trouble you can almost always sweet talk your way out of. Take a break from your troubles, make some new friends at the bar, and kick back to the soothing sounds of the kettledrum. It doesn't get much better than this. All you need now is a ticket.

Homemade Music Ain't on the Radio

BONE ISLAND RADIO

Remember the time you were sitting in your office cubicle and daydreamed about the beach? Listening to a Jimmy Buffett tune let you wander off for a quickie mini vacation to Key West.

A few years back, Tim Gerlach (TBPH member) had that moment and took a trip down to the southernmost town. As was the case, he got the passion for Trop Rock music.

When he returned back, he decided his hobby would be to create an internet radio station that featured the music of escapism to a tropical state of mind. With the encouragement of his wife Carol, he created Bone Island Radio.

"Instead of playing the popular tunes of Jimmy Buffett, I was more interested in playing songs from other artists who were creating songs that showcased beach life, sunsets and island life." "Yes, there is some Buffett songs, but they are the deeper cuts that have a wonderful story to tell."

"I've been learning the do's and don'ts of internet radio on the fly. It's a hobby of mine that I really enjoy. Especially when you hear from your listeners

that they are enjoying the same. Crazy as it sounds, I have a strong base of listeners in Germany and England."
