News

April 2018

Hellooooooooooooooooooooooooooooo Tampa Bay Parrot Heads...

Wow, can you believe it's April already???
Didn't we just bring in the New Year???

March kicked off with a resounding conch
blow as the 7th Annual Music on the Bay opened its doors on
Wednesday, 2/28 with 450 attendees to listen to the sounds
of The Shanty Hounds, Don Middlebrook and Steve Hooper and
the Wolf Island Band.

What an amazing 4 days of music and PHun! Raffles...Korked
for Kids...Monkey Adoptions...The Sauce Boss' gumbo helped
raise money for the Shriners Hospitals for Children. The
weekend was full of sunshine, laughter, balloons, clowns,
parrot head vendors and a Buffett themed hat contest.

Save the date of Wednesday, 4/18 for the large check
presentation. Money raised goes to Tampa hospital and is for
the Mobile Analysis Lab.

Right after MOTB, TBPH went into St. Patrick's Day with green
beer, Paula's famous margaritas and Rough Riders St. Patrick's
parade! Beads...beads...and more beads!!!!

Stay tuned.... we have a lot of PHabulous events coming your
way and you will want to be there!

Membership

When you join TBPH you are given a white lei and wearing the white lei helps our newbies stand out and allows members to identify them easily. During the TBPH New Member indoctrination, TBPH replaces the "white lei" with a "color lei". Sooooo... TBPH developed the "newbie" button for the newer members to wear until they feel part of the PHlock.

Keep an eye out for the newbie buttons, go up and chat with them and invite them to join you at your table or to the next event.

Twice a year we have a new member "meet n greet" that is hosted for members that have joined in the past 6 months. We hold the "meet n greet" in a members home, so that it

give a more intimate are to meet and get to know the Fruitcake Board and some key members.

If you have joined this year, late last year or just want to come and ask questions to get to know "TBPH slang" and hear some great stories and why we do what we do, come to the "new member meet n greet" on Friday, 4/27 7pm at Bob & Susan Seamon's house, 7007 W Baywood Ct, Tampa, FL 33615

TBPH will provide main dish. BYOB and a dish to pass.

New Member Indoctrination Circle Songs are "Tin Cup Chalice" and "Pirate Looks at 40."

TIN CUP CHALICE

I want to go back to the island
Where the shrimp boats tie up to the pilin'
Give me oysters and beer for dinner every day of the year
And I'll feel fine, I'll feel fine

'Cause I want to be there
Want to go back down and lie beside the sea there
With a tin cup for a chalice
Fill it up with good red wine
And I'm-a chewin' on a honeysuckle vine

Yeah, now the sun goes slidin' 'cross the water
Sailboats, they go searchin' for the breeze
Salt air it ain't thin
It can stick right to your skin
And make you feel fine
It makes you feel fine

'Cause I want to be there
Wanna go back down and get high by the sea there
With a tin cup for a chalice
Fill it up with good red wine
And I'm-a chewin' on a honeysuckle vine

Yes, and now you heard my strange proposal
Get that Packard up and let's move
I wana be there before the day
Tries to steal away and leave us behind
I've made up my mind

And I wanna be there
I want to go back down and lie beside the sea there
With a tin cup for a chalice
Fill it up with good red wine
And I'm-a chewin' on a honeysuckle vine

Yeah, with a tin cup for a chalice
Fill it up with good red wine
And I'm-a chewin' on a honeysuckle vine

PIRATE LOOKS AT 40

Mother, mother ocean, I've heard you call
Wanted to sail upon your waters
Since I was three feet tall
You've seen it all, you've seen it all

Watch the men who rode you
Switch from sails to steam
And in your belly you can hold the treasures
Few have ever seen
Most of them dream
Most of them dream

Yes, I am a pirate two hundred years too late
Cannons don't thunder there's nothin' to plunder
I'm an over forty victim of fate
Arriving too late, arriving too late

But I've done a bit of smugglin'
I've run my share of grass
Made enough money to buy Miami
But I pissed it away so fast
Never meant to last
Never meant to last

I have been drunk now for over two weeks
Passed out and I rallied and I sprung a few leaks
But I've got to stop wishin', got to go fishin'
I'm down to rock bottom again.
Just a few friends
Just a few friends

I go for younger women, lived with several awhile
Though I ran them away, they come back one day
And still could manage a smile
It just takes awhile, just takes awhile

Mother, mother ocean, after all the years I've found
Occupational hazard being, my occupation's just not around
I feel like I've drowned, gonna head uptown
I feel like I've drowned, gonna head uptown

DON MIDDLEBROOK

APRIL 4th - 6:30 PM - WHISKEY JOE'S

<http://www.donmiddlebrook.net>

Don Middlebrook is a Florida Trop Rock, Americana, Country, Rock 'n Roll singer/songwriter from the frozen North. East Lansing, Michigan is ground zero. He travels a circuit from Michigan to Key West - Seattle to the East coast. Original Florida swamp rock, with authentic country sensibilities, give Don a heart of pure Trop Rock.

Don revels in the back roads, small towns and the seedy underbelly of the Florida Keys — although he is equally at home in the country clubs of southern California, baseball stadiums of the Midwest, and Yacht Clubs of the east coast.

Don is the real deal! His voice has an authentic sound that expresses the soulfulness he injects into his songwriting. The Trop Rock Music Association justly awarded him "Songwriter of the Year" in 2015. His albums, *The Key West Connection* and *Songs from Talespin Bay*, were given the honor of "Album of the Year" and runner up for the same award.

Don Middlebrook writes songs about life. The people, the places, the weather, and the tabloid stereotypes provide rich fodder to draw from when he writes. His uncanny ability to write that "extra verse" or even a full length song for folks in the audience — at the spur of the moment — separate him from any artist you have ever experienced!

FRANK CALAFIURA

APRIL 18TH - 6:30 PM - WHISKEY JOE'S

<http://www.rudycox.com>

Frank Calafiura plays guitar and sings in the Tampa Bay area. People call him "Guitar Frank" because his last name is so hard to remember!

A solo artist performing in many different locations along the West Coast of Florida — Bon Appetite, Gill Dawg, Marker 48 Brewing Co., Zig Zag Scallop, Carrollwood Country Club, City

Why it's so kool to attend a TBPH Phlocking....

TRIVIA: Ok, sometimes we offer up questions with swag prizes.

.....and it's all on the **BEACH** with the **PHUNNEST PHOLKS** you can meet!!!

Fish, Tarpon Tavern, Frenchy's Outpost, Crab Shack, Hernando Beach Tropical Grill, Innisbrook Resort, The Cove, Grillsmith Restaurants, Davidsons Dockside and Whiskey River are some of the venues he currently plays. Frank mixes it up with just guitar and vocals, guitar in conjunction with his Boss looper and some backing tracks to cover tons of fun songs for dancing and rockin' out. In addition to playing he also teaches a small group of students.

He love guitars — playing guitars, looking at guitars, holding guitars, and everything about guitars! He is an avid Vintage Guitar collector and specializes in appraising, buying, selling and trading vintage guitars, mandolins, ukuleles and amps.

Save the Manatees

<https://www.savethemanatee.org>

WHO WE ARE

Save the Manatee Club is an award-winning national nonprofit 501(c)(3) and membership-based organization established in 1981 by renowned singer/songwriter, Jimmy Buffett, and former U.S. Senator, Bob Graham, when he was governor of Florida.

WHY WE NEED YOUR SUPPORT

Human activities are harming manatees, and only our compassion and action can protect them.

Manatees are Florida's official state marine mammal. They are listed as endangered at the international level by the IUCN World Conservation Union. They are listed as threatened at the federal level by the U.S. Fish & Wildlife Service and at the state level by the Florida Fish & Wildlife Conservation Commission (FWC). Their listing status is largely due to human activity. Since record-keeping began in 1974, more than 41% of manatee deaths where cause of death was identified were human-related – and almost 34% were due to watercraft collisions (the largest known cause of manatee deaths). With increased awareness, education, regulations, and enforcement, manatee deaths caused by humans could be substantially reduced, and the eventual recovery of the species could be realized.

HOW YOU CAN HELP

You can make a difference for manatees! Learn how to [report an injured manatee](#). [Adopt-A-Manatee](#)® for yourself, or renew your membership, and give an adoption to someone you love as a birthday or holiday gift.

Our Mission:

Our mission is to protect manatees and their aquatic habitat for future generations.

Our Objective:

Our objective is the recovery and protection of manatees and their aquatic ecosystems throughout the world.

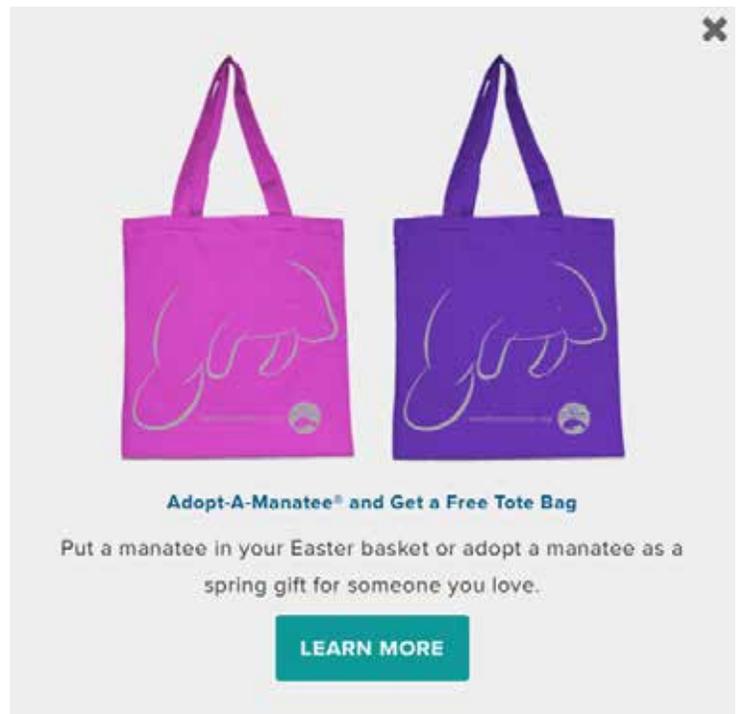

Our Goals:

In order to recover the manatee population – or delist the species – our goals are:

- To protect ample healthy habitat to support a stable or growing manatee population
- To reduce manatee harassment, injuries and deaths from human activity
- To ensure that sufficient regulations have been adopted to accomplish these goals

Our Work:

In order to accomplish our objective and goals we concentrate our efforts on reducing the negative impacts to
