ISABELLA STEFANI

SEPTEMBER 5th - 6:30 PM - WHISKEY JOE'S
<http://www.isbellastefania.com>

In the life of country singer/songwriter, Isabella Stefania there is never a dull moment and that's just the way she likes it. Though she's grown up on the outskirts of the "Windy City", Chicago, Illinois, Isabella is a country girl at heart. She's got a taste for adventure that draws her to the great outdoors but, whether she's riding ATV's with family and friends, scuba diving the beautiful green waters of the Caribbean or watching

a beautiful sunset the one constant is her music.

Her sound, an original blend she's dubbed "Island-Country", not only conveys her music style but exemplifies the natural beauty and easy going spirit that is Isabella. Though she's just getting started, her rapidly growing fan base indicates great promise for the future. Her original song, co-written and produce by Doug Kahan, "Love's Not Like That" is receiving great reviews and leaving her fans begging for more.

Executive Committee

Congratulations!

Here is the "New" Executive Committee who will lead our wonderful Club for the next two-year term beginning January 1, 2019

What's that you say??? You didn't get a ballot in the mail??? And you didn't vote???

No, you didn't sleep through the elections. What happened is that potential Candidates had until midnight July 30, 2018, to throw their hats into the election ring, and as of that time we only had one Candidate for each of the four positions. Therefore, in my capacity as Elections Committee Chairperson, I announce that a vote will not be necessary. Each Candidate automatically wins the position for which he / she was running.

The four Candidates who "volunteered when called upon" and threw their hats into the ring are...

President/Captain: Dorothy Bedlin "Lovely Lady"

Vice President/First Mate: Jorge Diaz

Treasurer/Purser: Jennifer O'Connor

Secretary/Yeoman: Susan Bond "Tin Cup"

Hellooooooooooooo! Tampa Bay Parrot Heads!

What time is it???

It's Election time!

I've been at the helm for 5 years & during that time Tampa Bay Parrot Heads has become the PARTY! The club is well respected and is looked at as an example for other clubs!

We continue to live our motto, "Let's leave the world a little better than we found it... and have a blast doing it"! Through YOU and your generous hearts, we have raised money for our environmental charities, Music on the Bay and have championed drives for the troops, flip flops and children. Our membership has grown and we continue to recruit and add people that "party with a purpose"!

I have the heart of the club, remain enthusiastic about the way the club is heading and am the "woman behind

the curtain'. I am very involved in all of the club activities and attend most events. This allows our members to have constant access to me and have the ability to voice any concerns that they have. I am a good listener and will always get you an answer or resolution.

We still...

- Jimmy Buffet is played at our meetings and events
- Cleaaaaannnnnnnnnnnnnnnnnnnn the beaches
- Savvvvvveeeeeeee the Manatees
- Volunteeeeeeeeeerrrrrrrrrrrrrrrrrrrr when called upon
- Club involvement in environmental charities

I have been a member of Tampa Bay Parrot Head Club in Paradise, Inc. since 2000. Although I'm not a "vintage parrot head", I've been around a long time. I'd like to continue to grow and enhance Tampa Bay Parrot Heads and ask for your vote!

Jorge Diaz

So what qualities do I possess that would benefit the TBPH in a positive way! Well I can say that I party well with others! I get along nicely with lots of people. I love to laugh, play, dance, sing, wisecrack, and in general live it up. I love to do these things as much as I can, without hurting or offending anyone. I have been told that I am very affable, approachable, and very easy to talk to. I love the music of JB, Kenny, Zac, Marley, as well as reggae, soca, calypso, country, Latin, EDM, – you name it I can dance to it! But I especially love the Trop Rock genre that is coming into its own right before our eyes! I also have a passion for volunteering for a good cause. It's rewarding to one's own self, and it's fun! All qualities of a good parrothead!

As for my past life, I was very fortunate to have worked at a great major airline for 29 years, retire from it. And then I hooked onto another gig that I really enjoy for the past 10 years, while doing the same work as I did before!. I love to be around airplanes, and have been very lucky

Executive Committee

to get paid to be around them since I was a kid. A lot of people can't stand getting up in the morning and going to work, but I can't wait for it!

I have also been blessed with having worked with a lot of great people in different organizations here in Tampa and abroad. I was honored to be the President of the Cuban Club in Ybor City, where our team led the Cuban Club and it's Krewe of Mambi to new heights. We were able to take the nearly defunct club, instill a lot of fun, and charitable work, and attract new members by the hundreds. Ileana and I joined the club as the 30th and 31st members, and we helped it grow to over 250 fun loving, giving, and great, family members.

We were able to turn the Cuban Club building around, and bring it back from the near death of being condemned. We turned the venue into a business, brought in weddings, corporate events, shows, and of course EPIC krewe parties. Soon the funds started to come in so that we could repair the aging building. Anyone who attended one of the old Krewe Krash Parties, or WMNF's Tropical Heatwave, remembers the incredible times we had. They too were "parties with a purpose!" We met a LOT of people and were very blessed and honored to be invited to many Tampa Bay social events. Yes it was a lot of work, but it was FUN, rewarding to our spirit as volunteers, and it was THE RIGHT THING TO DO. Imagine how Ybor would be today without the historic Cuban Club?

One day, during one of the parades, a great friend, Bad Cheryl the Slut, came to us and said, "you guys gotta come and join the Parrotheads, you'll love it!" We didn't join at that time do to LIFE events, but it stayed stuck in my mind. Years later our lives got back to a semblance of "normal" and I remembered what Bad Cheryl said, so we stumbled over to Whiskey Joes a few years ago and met the greatest people in the world! We instantly fell in love with the Phamily and were happy to volunteer when called upon - or not! Bad Cheryl was right - we loved it!

So for "credentials" I feel that I have a varied past full of experiences that will help me to cope and deal with many situations, and an outlook on life that will bring out the positive side of every issue. I like music of many different genres, but most of all I LOVE TROP ROCK! I have been told I have a good ear, and am passionate about good music and talent. I don't just love live music, I LIVE MUSIC!

The best part of my "credentials" is the fact that I have the best BOSS on the planet! Anyone who's met my wife Ileana

has felt the aura of her fun, crazy, and caring persona. She is the hardest working, most caring person I know, and I am lucky enough to have her "adjusting my sails" and keeping me on an even keel. She is my driving force that makes me strive to do the right thing, every day, in everything I do!

if you so choose me to be the next First Mate, I promise to be a good Parrothead, and do MY BEST to help the club achieve new level of EPIC! The new tag line for the TBPHC will be - WE ARE THE PARTY!

SHOTOVODKA!!

Jennifer O'Connor

Greetings to my Tampa Bay Parrot Head Friends and Family.

First and foremost, please allow me to express my gratitude to such a wonderful group of people and to share with you my excitement regarding my decision to run for another term of office for the greatest club in the world.

For those of you who don't know me, my name is Jennifer O'Connor and I have been a member of the Tampa Bay Parrot Head Club for more than 15 years. Many years ago, I served as Yeoman on the TBPH Board, under Captain Harry, and enjoyed every minute of it. I have also served as your Treasurer for the past four years, and am ready to serve again and give back to the club who has given so graciously to me over the years with family, friendship, and caring.

I currently hold an under graduate degree in Accounting and a Master's Degree in Finance. I have been professionally active in the accounting/finance field for over 30 years, and was a Finance Director with PricewaterhouseCoopers right here in Tampa for 17 years. I have also been the Registration Chair and Treasurer for Music on the Bay for three years.

I am professionally

Executive Committee

responsible, trustworthy, and capable of serving this club as Treasurer. I have held the office of Treasurer over the years with other organizations, including homeowners associations, school PTA, and sports clubs. I know what is required of this office and am fully willing and prepared to fulfill the duties and responsibilities.

If elected, I will fulfill the duties and responsibilities to the best of my ability and, as well, will collaborate with the rest of the Board to ensure all decisions are made with the best interests of the club in mind. I look forward to this election and hope you will find me a desirable candidate and vote for me in the upcoming election.

Thank you from the bottom of my heart for your attention this evening. Bless all of you and please drive home safely.

Suan Bond

First let me say that I LOVE being a Tampa Bay Parrothead! I love the music and the lifestyle but, I am so grateful for the life and life-long friends that I have found, that I am happy to do any service for the club that I can. That being said, having served as Yeoman for the past two years

has given me even more appreciation for the PURPOSE of this club. I am committed to helping make the Tampa Bay Club the best club, not just in PHIP, but the best experience for any one from the Tampa Bay area that is interested in becoming a member.

In my career as a Registered Nurse, one of my main skills is to organize my care according to priorities, while keeping the "big picture" in mind. I believe these skills translate well to the job of Yeoman. It is also a career that lends itself to service, and that is my main focus in performing the duties of this office. It is all about serving "The Club", and if I am elected that is exactly what I plan to do. I am excited about the future of this Club, and sincerely am glad to a member.

Thank you and FINS UP!

Q & A with Queen Vera

WHAT IS A TEAM DRINK ? WHAT DO WE SAY ,WHY DO WE SAY IT AND WHERE DID IT COME FROM ?

The Team Drink is said to acknowledge someone, celebrate something and to unite parrot heads. "Hey Parrot heads, What Time is it?" "It's time for a team drink"! Traditionally the first team drink goes to Jimmy Buffett. It is Jimmy's music that is the common link that unites parrot heads. The second team drinks goes to Capt'n Harry and Sarah Sunshine for starting "this crazy ass club!" When you were inducted into this club the phlock held up a "Team Drink" to you. The Team Drink came from Capt'n and Sunshine. They heard the words Team Drink in Key West and made up the story. It goes this way..... The pirates bring their "bounty" ashore, open the chest and the barrels of rum. They celebrate their success with THE TEAM DRINK. Who do you celebrate?

NICKNAMES: WHO HAS THEM? WHERE DO YOU GET ONE?

A nickname is earned. You are " given" a nickname because of something you are, do or say. For instance "Tattoo Jim"

got his nickname at MOTM in Key West several years ago. We were grouped outside of Capt'n Tony's and we were applying TBPH Tattoos for a dollar. Jim "licked" his tattoos on with the help of some booze. We raised several hundred dollars and donated it to "Save The Manatee Club."

WHAT IS A PARROT HEAD?

A Parrot head is a fan of Jimmy Buffett's music. They like the things Jimmy sings about. They like to phlock together in a tropical life style. When Jimmy Buffet comes to town to do a concert, parking lots look like beaches with tiki huts and plenty of adult libation. Parrot Heads indeed!

WHERE DID THE NAME PARROT HEAD COME FROM?

During a concert Jimmy Buffett commented on the tropical type clothes and hats the fans wore and how they were as loyal as The Dead Heads. It was then that a member of the Coral Reefer Band , Timothy B. Schmit, coined the phrase Parrot Heads. He went on to join The Eagles.

Windjammer has once again graciously donated a windjammer cruise to help benefit the PHiP Scholarship.

Parrot Heads in Paradise (PHiP) have been awarding qualified Parrot Heads and their children a total of \$10,000 in scholarships every year for the last 10 years.

You can buy these tickets individually or as a club donation to the scholarship (domino college recognition) and use this great prize for your fundraiser. Last years winner was a club and they are using their prize for their fundraiser at the end of this month.

All are eligible to win whether they are going to MOTM or not.

PHiP will be selling tickets via PayPal or check starting today. We will draw for the cruise Saturday, November 3rd from the stage at Meeting of the Minds for the seven night cruise on this beautiful boat. Winners do not need to be present at MOTM to win the cruise!

Tickets are five for \$20 or five dollars for one.

PHiP will send you via email with a list of your numbers so you have them for your records.

You can pay via PayPal - <https://www.paypal.com/home> to PHiPscholarshipraffle@yahoo.com (Please click on the friends and family link) or send your check to David Cohen, 6986 Samantha Court Wheatfield, NY 14304 (checks payable to Parrot Heads in Paradise). Checks will only be accepted up until MOTM registration closes on September 15th. If you are mailing a check please send your email address if you want your numbers emailed to you. When you get to MOTM you may purchase additional tickets right up until 2:30 pm on Saturday.

Below is what the cruise is all about. Thank you in advance for your support of the wonderful cause.
