# Trop Rock, Huh?

## Hello to my Phellow Phlockers!

Parrot Head clubs around the world focus on four major ideals. In no particular order, because every club has different priorities:

1. Friendship and community
2. Environmental involvement
3. Charitable contributions
4. Live Music

Here is a “crash course” (for new members and for members whose focus is on one of the other three ideals) on the style of music and musicians that Parrot Heads tend to embrace. Everyone knows Jimmy Buffett! When asked who is their favorite Trop Rock musician, most Parrot Heads will name “the man who started it all.” Let’s look a little deeper at what’s happening in today’s Trop Rock music scene.

Parrot Heads want to be joyful, lei’d back and on vacation in their minds even when they can’t be on vacation in their bodies. Trop Rock musicians, and musicians who embrace that ideal in their hearts and lifestyle have been singing this ideal to their local clubs and house concert venues, traveling the country and even the globe. There are too many musicians to name, and far, far too many songs! However, since this is geared toward people who may not be familiar with ANY Trop Rock musician who is not Jimmy Buffet, I am going to present a few names and songs based on my own experience as a Parrot Head and house concert host, to guide people toward finding musicians and styles of songs that fit their personal vision of what Parrot Heads like to listen to when they need an escape. I suggest, as a “starter variety sample pack”, the following Musicians and a song that you might want to check out. In order of “as it occurred to me”...

The Detentions	Sunburned
Cory Young	Life Looks Best
Brittany Kingery	Treasures
Don Middlebrook	She’s Not Lost
Wes Loper	One Big Ocean
Howard Livingston	Where Bananas Grow
Scott Kirby	Lucky Enough
John Frinzi	Shoreline
The Boat Jammers (360 Degrees)	Weekend Sailor
Donny Brewer	Live Like Jimmy Buffet
Brent Burns	Livin’ in Paradise, Working in Hell
John Patti	Start the Party
Sunny Jim White	Sand Sky Water Moon
Bill Cockrell	Aquaholic
Southern Drawl Band	Floriday

I hope you take the time to listen to any of these songs that you don’t already know by heart and always, always talk to your phriends about songs that you heard and loved and musicians that made you feel relaxed and wonderful ...a song can change a life!

## *Music on the Bay lineup is really taking shape!*

### WEDNESDAY

Music on the Bay kicks off with a special party sponsored by the Tampa Bay Parrot Head Club on Wednesday, February 27th. This day is open to everyone and registration for Wednesday is not required. (In other words, it's FREE!)

Music on the Bay is excited to announce our official line up of music for Wednesday, February 27th. Volunteers setting up along with those arriving early to MOTB will be thrilled to enjoy music starting at 2 pm on Wednesday!

2 pm - 4 pm Flip Flop Dave

4 pm - 6 pm TJ Walsh with Darrell Clanton

6 pm - 8 pm Boomer Blake and Danny Rosado

8 pm - 10pm Don Middlebrook

### THURSDAY

As we continue to refine the schedule for Music on the Bay, we can let you know that Thursday from 4-6pm "Jeff & The Camaros" will be playing for us. Originally from Georgia but now living near Panama City, Florida, Jeff Brewer is no stranger to the Trop Rock world with his infectious enthusiasm involving the crowd while playing. You may recall being handed a mustache to wear while he plays and sings JB's "Pencil Thin Mustache". Jeff is a great addition to our line up!

Directly following will be Brent Burns from 6-8pm. Brent is from Gulf Shores, Alabama and has won several TRMA awards going all the way back to the beginning in 2008

# Music On The Bay 2019

and many since then. A war vet and Purple Heart recipient, he was the first American entertainer to perform for troops overseas after the tragedy of Sept 11th. You may recognize one of his songs played on many of the trop rock radio stations, "I've Got a Beach in My Backyard".

Finishing out the evening on Thursday is none other than Jerry Diaz & Hanna's Reef

from 8-10pm. A "Gulf Coast Beach Band" from Galveston, Texas, the band plays their brand of "fun in the sun" with a luau atmosphere on stage. You'll hear tropical elements of steel drums and Latin percussion with the driving beat of rock and roll.

We sent out an email a couple weeks ago indicating Big Bamboo Band will be opening on Sunday from 10-12 and that Southern Drawl Band will be closing out our event that Sunday from 4-6pm. We are happy to announce that the Trop Rock Junkies will play from 12-2pm on Sunday. Steve Tolliver leads this group and received TRMA's Songwriter of the Year in 2014. The TRJ's will have you up out of your seats dancing in the sand with their beach party music!

Following them will be the Cory Young Band featuring Ty Thurman. Cory comes from the Nashville music scene with a flair for songwriting that shapes the music he plays today. A little country with a bit of salt and lime and a fair dose of classic rock, Cory shares his unique style within the Trop Rock genre. Cory is up for several TRMA awards this year. Ty Thurman is a singer, songwriter & guitarist from the Florida Keys. Ty co-wrote with Cory the song "All She Does is Beach".

## FRIDAY

To start out the day we have The Cabana Dogs, a trop rock, beach party band out of Sarasota, Florida. Get out of your seats and start dancing!

Then we have Barefoot Reggie Starrett from Georgia. Reggie is a singer/songwriter who has teamed up with Donny Brewer in co-writing several songs including 2017 TRMA "Song of the Year" award, "Rum & Something" and this

year's nominee again for TRMA "Song of the Year", "Back to the Sun".

Next is the Young Rebel Boombas out of Long Island, NY. This group is high energy with Emmy winning song writers Richie Saccante and Cosmo Mallardi. Music is fresh and new.

They will be followed by John Frinzi and Doyle Grisham. John Frinzi is a gifted singer/songwriter touring nationally playing over 250 dates a year. Doyle Grisham plays sliding steel guitar for Jimmy Buffet's Coral Reefers and joins Music on the Bay for the second year in a row!

Jimmy and the Parrots is up next. Jimmy is out of New Jersey and has a Caribbean beach sound. You may also

recall him on the Parrot Head Documentary that was made a couple years back. Jimmy was TRMA's "Entertainer of the Year" in 2012 and 2014!

Donny Brewer is no stranger to the Trop Rock world. He won 6 TRMA awards last year and is up for 5 more this year! He will have the Dock Rockers Band with him this year at Music on the Bay 2019.

Closing out the night will be Jim Asbell and the Tropiholics from Atlanta, Georgia. Playing Gulf Coast Music with a tropical attitude, the Tropiholics include a brass instrument section for the strong, full, island sound!

# Music On The Bay 2018

## SATURDAY

Saturday, March 2nd, we will be starting out the day with none other than our favorite emcee, since almost the beginning, Sunny James White! Sunny Jim is an 8X TRMA winner and is known across the globe! Originally from Texas, raised in California, James launched his music career in the Cayman Islands. Many of his island songs come from his experiences and characters from that part of his life. Make sure to bring your "adopted monkey's" from the last MOTB during this set as I am sure he will have one or two songs about monkey's! Other friends may drop in for this set as well!

A highly interactive band from Pittsburgh, Corned Beef & Curry will be returning and on the schedule Saturday. This band is known for their high energy combining Celtic music with American Classic Rock in foot stomping, hand clapping, beer-drinking fun! You don't want to miss them!

Music on the Bay would not be complete without Mr. Bill Wharton, the Sauce Boss, with his famous gumbo. MOTB 2019 is excited to have him back with us on Saturday March 2nd!

Take that 53 Telecaster, pump it through that old tweed Fender amp, add a bass rig, mix in some drums, all simmered down over some funky swamp blues, and smothered with gumbo, and you have a recipe for a very good time. It's a Soul Shouting Picnic of Rock and Roll Brotherhood.

There's a lot of audience participation. Everybody is encouraged to sing, to dance, and to come and put the stir on the Gumbo. At the end of each show, meet the Shriner kids and make a donation (for the kids) and receive a bowl of gumbo!

Another returning band on Saturday will be Jeff Pike and the AIA band out of Atlanta.

Known as the official and original Jimmy Buffett Tribute Show since 1992, AIA continues to entertain crowds wherever they go. They have performed with Jimmy Buffett and Mac McAnally and were even featured in a major motion picture in 2012. As a singer/songwriter, Jeff and his band have released two live CD's and 10 CD's of original music.

We hope you have registered for this exciting event! You don't want to miss this great musical line-up!

## Stay tuned for more surprises!

*Don't miss out on this awesome event! If you haven't registered for MOTB 2019, go to [musiconthebay.org](http://musiconthebay.org) and register today!*

## Q & A with Queen Vera

### NOW THAT WE KNOW "WHO" WE ARE... WHERE DID WE, TBPH START?

I must go back to "THE VERY BEGINNING" to answer this one. I recently asked Capt'n Harry this question during a special visit.

Capt'n was in college when he first heard Jimmy Buffett's music (Heard, Listened, Loved, Lives). Capt'n Harry, with Sarah Sunshine wanted to share the feelings, the mind, heart and soul they felt while listening to Jimmy Buffett's music. They invited a "few close phriends" to join them to share in the feelings.

Wanting to give back to the community and having a blast doing it, Capt'n Harry contacted The Atlanta Parrot Heads

in Paradise and applied for a charter to start a new parrot head club. (Scott Nickerson, from Atlanta started the very first Parrot head club on April 1, 1989). As of now there are 239 clubs in the USA, Canada and Australia. On Sept.14, 1994 Tampa Bay Parrot Heads was OFFICIALLY BORN!! Welcome to the Party!!!!

Now we know "THE WHO and THE WHERE!!!!

# Raft Up

# 1 Heard 1 Was in Town

From the *Washington Post*

In a 2009 song, Jimmy Buffett sang about living on the edge. "I ain't afraid of dyin'," he crooned. "I got no need to explain, I feel like goin' surfing in a hurricane."

Just a couple days before the life-threatening force of Hurricane Florence was set to thrash the Southeast coast, the 71-year-old Buffett grabbed his surfboard and hit the waves at Folly Beach, an island in South Carolina that's one of the state's best surf spots.

Buffett posted a photo to his Instagram account, showing him and a companion beaming as they posed with their longboards and Buffett threw up the "hang loose" shaka hand sign. The picture was stamped with the words "That hurricane swell" and captioned with the lyrics of Buffett's "Surfing in a Hurricane."

Later Wednesday evening, the mayor of Folly Beach closed the bridge onto the island, cutting off inbound traffic, but officials had long been encouraging residents and visitors to evacuate the area. A mandatory evacuation has been in effect there since Monday.

Buffett, and many other surfers, apparently did not heed this warning.

But to the singer's credit, he appended his post with a caution to any potential copycats (or parroting Parrotheads, perhaps): "On a serious note — respect mother nature, please be safe and listen to your local authorities."

In the comments section of Buffett's post, fans and followers asked the Mayor of Margaritaville to be careful and told him to write another song about the day's escapade. Some lamented that they had already fled inland and missed their favorite artist.

"NOOOO the love of my life is at my home while i'm stuck

in savannah playing it safe!!! @jimmybuffett please stay till I get home!" one user wrote.

"I'm right down the road. Come have a beer," another wrote.

Buffett even earned some respect from his fellow surfers, one of whom sounded impressed that he was out riding in tough conditions: "Super cool that my surf spot is Jimmy's too — but man is that long shore current rough at Folly when there's hurricane swell."

A storm like Florence, which at one point had Category 4 winds, creates increasingly large waves as it nears the shore — menacing for coastal communities but magnificent for fearless surfers.

Buffett, as he writes in his songs, is no stranger to hurricanes. He was born in Mississippi, raised in Alabama and spent formative time in New Orleans. He has put on

concerts and raised money for disaster relief efforts. He wrote the song "Breathe In, Breathe Out, Move On" for the victims of Hurricane Katrina and their families.

Tickets are five for \$20 or five dollars for one.

PHiP will send you via email with a list of your numbers so you have them for your records.

You can pay via PayPal - <https://www.paypal.com/home to PHiPscholarshipraffle@yahoo.com> (Please click on the friends and family link) or send your check to David Cohen, 6986 Samantha Court Wheatfield, NY 14304 (checks payable to Parrot Heads in Paradise).
