Parrot Heads in Paradise Club

#1 PARROTHEAD CLUB NEWSLETTER FOR 2018

News

November/December 2018

Helloooooooooooooooooooooooooooooo
Tampa Bay Parrot Heads!!!

Teaaammmmmmmmmmm drink to our newsletter editor Cindy Range! This is the first time that Tampa Bay Parrot Heads have been recognized in the PHIP newsletter contest and TBPH won **first place!**

In addition, Music on the Bay (MOTB) won the *Trop Rockin Magazine* **People's Choice** award for "most creative fundraiser" for the **Hat Contest** and the **Trop Rock Music Association "Event of the Year" for the 6th time!**

Can I tell you how proud I am to be your Lovely Lady? How it feels to walk down the streets of Key West and hear people say "Look at Tampa Bay's shirts and the PHun they are having! That's the club that rocks"? Making "shot of vodka" spread over the United States?

Well, it feels pretty darn good to be in the "best Parrot Head club" out there! YOU make it rock. Thank you for your heart and enthusiasm in supporting TBPH and our charities.

The Holiday Party is right around the corner, so we'll be collecting unwrapped toys, canned and boxed food and pet food. Donates will go to Toys for Tots, Metropolitan Ministries and Animal Shelters.

Entertainment will be by **Bill Cockrell and the Aquaholics** and the table decorating contest will be back. What else may happen?????

What **TIME** is it????

It's time for a **TEAM** drink!

Why it's so kool to attend a TBPH Phlocking....

Music: every meeting, live music from the best of the Trop Rock scene

DRINK SPECIALS: Martha and the bar tenders offer up the coldest libations

FOOD BUFFET: Whiskey Joe's supplies food for the Parrot Heads. (gotta have your lanyard, and it's FREE)

.....and it's all on the **BEACH** with the **PHUNNEST PHOLKS** you can meet!!

School he played in the band Sudden Impact and honed his live performance skills. He also loved country music and later formed the country band The Risk which performed all over Florida and the East Coast.

After moving to Hawaii, Eric was introduced to Boats, Beaches Bars and Ballads and began to write songs about his own similar lifestyle of sailing, surfing and diving. He is currently living in Florida and tours in his American Eagle Motor Coach with his wife Kim and their 3 birds, Harley the Harlequin, Marley the Macaw and Chief the Cockatoo.

Eric Stone's music has been described as Nautical Americana. Some say each song is a little mini-vacation that you take any time you want.

Music on the Bay lineup is really taking shape!

WEDNESDAY

Music on the Bay kicks off with a special party sponsored by the Tampa Bay Parrot Head Club on Wednesday, February 27th. This day is open to everyone and registration for Wednesday is not required. (In other words, it's FREE!)

Music on the Bay is excited to announce our official line up of music for Wednesday, February 27th. Volunteers setting up along with those arriving early to MOTB will be thrilled to enjoy music starting at 2 pm on Wednesday!

2pm - 4pm Flip Flop Dave
4pm - 6pm TJ Walsh with Darrell Clanton
6pm - 8pm Boomer Blake and Danny Rosado
8pm - 10pm Don Middlebrook

THURSDAY

As we continue to refine the schedule for Music on the Bay, we can let you know that Thursday from 4-6pm "Jeff & The Camaros" will be playing for us. Originally from Georgia but now living near Panama City, Florida, Jeff Brewer is no stranger to the

Music On The Bay 2019

Trop Rock world with his infectious enthusiasm involving the crowd while playing. You may recall being handed a mustache to wear while he plays and sings JB's "Pencil Thin Mustache". Jeff is a great addition to our line up!

Directly following will be Brent Burns from 6-8pm. Brent is from Gulf Shores, Alabama and has won several TRMA awards going all the way back to the beginning in 2008 and many since then. A war vet and Purple Heart recipient, he was the first American entertainer to perform for troops overseas after the tragedy of Sept 11th. You may recognize one of his songs

played on many of the trop rock radio stations, "I've Got a Beach in My Backyard".

Finishing out the evening on Thursday is none other than Jerry Diaz & Hanna's Reef from 8-10pm. A "Gulf Coast Beach Band" from Galveston, Texas, the band plays their brand of "fun in the sun" with a luau atmosphere on stage. You'll hear tropical elements of steel drums and Latin percussion with the driving beat of rock and roll.

We sent out an email a couple weeks ago indicating Big Bamboo Band will be opening on Sunday from 10-12 and that Southern Drawl Band will be closing out our event that Sunday from 4-6pm. We are happy to announce that the Trop Rock Junkies will play from 12-2pm on Sunday. Steve Tolliver leads this group and received TRMA's Songwriter of the Year in 2014. The TRJ's will have you up out of your seats dancing in the sand with their beach party music!

Following them will be the Cory Young Band featuring Ty Thurman. Cory comes from the Nashville music scene with a flair for songwriting that shapes the music he plays today. A little country with a bit of salt and lime and a fair dose of classic rock, Cory shares his unique style within the Trop Rock genre. Cory is up for several TRMA awards this year. Ty Thurman is a singer, songwriter & guitarist from the Florida

Keys. Ty co-wrote with Cory the song "All She Does is Beach".

FRIDAY

To start out the day we have The Cabana Dogs, a trop rock, beach party band out of Sarasota, Florida. Get out of your seats and start dancing!

Then we have Barefoot Reggie Starrett from Georgia. Reggie is a singer/songwriter who has teamed up with Donny Brewer in co-writing several songs including 2017 TRMA "Song of the Year" award, "Rum & Something" and this year's nominee again for TRMA "Song of the Year", "Back to the Sun".

Next is the Young Rebel Boombas out of Long Island, NY. This group is high energy with Emmy winning song writers Richie Saccente and Cosmo Mallardi. Music is fresh and new.

They will be followed by John Frinzi and Doyle Grisham. John Frinzi is a gifted singer/songwriter touring nationally playing over 250 dates a year. Doyle Grisham plays sliding

steel guitar for Jimmy Buffet's Coral Reefers and joins Music on the Bay for the second year in a row!

Jimmy and the Parrots is up next. Jimmy is out of New Jersey and has a Caribbean beach sound. You may also recall him on the Parrot Head Documentary that was made a couple years back. Jimmy was TRMA's "Entertainer of the Year" in 2012 and 2014!

Music On The Bay 2019

Donny Brewer is no stranger to the Trop Rock world. He won 6 TRMA awards last year and is up for 5 more this year! He will have the Dock Rockers Band with him this year at Music on the Bay 2019.

Closing out the night will be Jim Asbell and the Tropiholics from Atlanta, Georgia. Playing Gulf Coast Music with a tropical attitude, the Tropiholics include a brass instrument section for the strong, full, island sound!

SATURDAY

Saturday, March 2nd, we will be starting out the day with none other than our favorite emcee, since almost the beginning, Sunny James White! Sunny Jim is an 8X TRMA winner and is known across the globe! Originally from Texas, raised in California, James launched his music career in the Cayman Islands. Many of his island songs come from his experiences and characters from that part of his life. Make sure to bring your "adopted monkey's" from the last MOTB

during this set as I am sure he will have one or two songs about monkey's! Other friends may drop in for this set as well!

A highly interactive band from Pittsburgh, Corned Beef & Curry will be returning and on the schedule Saturday. This band is known for their high energy combining Celtic music with American Classic Rock in foot stomping, hand

clapping, beer-drinking fun! You don't want to miss them!

Music on the Bay would not be complete without Mr. Bill Wharton, the Sauce Boss, with his famous gumbo. MOTB 2019 is excited to have him back with us on Saturday March 2nd!

Take that 53 Telecaster, pump it through that old tweed Fender amp, add a bass rig, mix in some drums, all simmered down over some funky swamp blues, and smothered with gumbo, and you have a recipe for a very good time. It's a Soul Shouting Picnic of Rock and Roll Brotherhood.

There's a lot of audience participation. Everybody is encouraged to sing, to dance, and to come and put the stir on the Gumbo. At the end of each show, meet the Shriner kids and make a donation (for the kids) and receive a bowl of gumbo!

Another returning band on Saturday will be Jeff Pike and the AIA band out of Atlanta. Known as the official and original Jimmy Buffett Tribute Show since 1992, AIA continues to entertain crowds wherever they go. They have performed with Jimmy Buffett and Mac McAnally and were even featured in a major motion picture in 2012. As a singer/songwriter, Jeff and his band have released two live CD's and 10 CD's of original music.

We hope you have registered for this exciting event! You don't want to miss this great musical line-up!

Stay tuned for more surprises!

Don't miss out on this awesome event! If you haven't registered for MOTB 2019, go to musiconthebay.org and register today!

More bands.... More beach.... More party!!

HAPPY NEW YEAR

You Had To Be There

TBPHC Phlocking November 7th

WHISKEY JOE'S

Phlock Squawk

I had the good fortune to have breakfast one day at the Birthday Bash with Vera, Susan and The Lovely Lady. Since I was no longer a Newbie but only a five-year veteran of the club they asked if I would put together some thoughts about the TBPH Club.

First off, the reason the Club is one of the tops in the country is because of the dedication of the members of Fruitcakes Board. They are constantly working to make all our activities run as smooth and as much fun as possible. I don't think they get enough recognition for all the behind the scenes work they do.

One of the best aspects of the club is who you are going to meet. There are doctors, nurses, engineers, scientists, lawyers, professors, pilots, administrators and a whole lot more. You never know who you are going to wind up talking to

.Next for the Newbies, it is like the old saying you will get out of

the club what you put into it. I was fortunate enough to have two fantastic mentors in Colleen and Kevin Karcher. They showed me you don't have to volunteer for everything just something. Once you start to volunteer you will become addicted and will see why we are trying to leave the world a little better off than we found it. Ask one of the members that you see around at the meetings or the parties what you could do, I promise you they will guide you.

Lastly, check out the list of charities we work with. Find something that will inspire you to want to do more. Although we are responsible for eliminating a bunch of agave plants and oak trees for barrels we try to do the best for people and the environment.

Q & A with Queen Vera

WHY DO WE DO THE THINGS WE DO???????

Why do we do the circle dance "Tin Cup Chalice" at the beginning of the "party" at the meetings with Our Lovely Lady Dorothy and Queen Vera (when she's able to be there) in the middle?????

Years ago at a Havana Daydreaming Meeting a member named Anita suggested we start the next meeting backwards. Since we end all our meetings in circle dances the next meeting that's what we did. Capt'n Harry loved the energy he saw in the circle dance. So he asked me what my favorite song was. Tin Cup Chalice I answered. So the next meeting we started off with Tin Cup Chalice with me and My Capt'n Harry in the middle. (Thanks to Dorothy for continuing with the energy and welcoming me to the center when I'm able to attend.

Why do we kick off our shoes and toss them in the center during our circle dances???

This is the what I remember.... After attending a business meeting Capt'n Harry (our co founder) arrived at the meeting just in time to begin his blah blah blah blah. Since Capt'n is barefoot most of the time as he spoke he kicked off his shoes and they landed in the middle of everyone. You got it "Circle dance.... shoes off "

It has been known that other parts of clothing have come off on occasion. Doc topped it all when he threw in his artificial leg!

"While not officially condoned by the Board of the TBPH Club, salty language, alcohol-induced playfulness, and partially-clad bodies are not unheard of at some TBPH events where members have been known to act out the lyrics of popular Jimmy Buffett songs. Every member has a choice to attend or not if they could be offended by these actions."
