February 2019

Hellooooooooooooooooooooooooooooo  
Tampa Bay Parrot Heads!

We started off 2019 on a high note with a TBPH meeting on 1/2 and added 9 new members!!! TBPH ended 2018 with 536 members!

Although January is a quiet month, we're getting ready to hit full sail in the next few weeks, soooooooooooooo shake off your tail feathers and get ready!

Join us at the Tampa Tap Room, great cajun food, for our **5th Wednesday**. Eric Stone is an amazingsinger / songwriter and we are pleased to have him play for us. This is our first time there, so we **WANT** tail feathers in the bar stools!

Our first **beach clean-up** is Saturday, 2/2 and Elmer's is hosting our after party. If you haven't had one of Paula's famous margarita's, now's the time to indulge. CAUTION: 1-2 is more than enough!!!

**Sant' Yago Knight Parade** is on Saturday 2/9 where we will meet at Elmer's for eats and drinks at 4:30pm. TBPH ropes off a private area and you set your chair as your arrive.

Six-time TRMA Event of the Year, **Music on the Bay**, is right around the corner. Trust me, we have a PHabulous line-up and this is one event you don't want to miss it!!

- Online registration ends on 2/22/19
- Volunteer list is at the Welcome Court through 2/20 meeting - Kahlua Kutie
- Raffle baskets & items can be donated through 2/20 meeting - Sharon Leverett
- Korks for Kids donations (bottle of alcohol) - through 2/20 meeting Susan Seamon

Like I said, shake off those tail feathers, it's going to be a Lovely Cruise....

## MATT BILLOR

**FEBRUARY 6th - 6:30 PM**

**WHISKEY JOE'S**

<https://mattbillor.com>

Matt Billor is a 22 years old country music Nashville recording artist.

An island famous to generations of Tampa Bay boaters now has its own song. The singer/songwriter wrote "Beer Can Island," named for the small, comma-shaped island located between Apollo Beach and MacDill Air Force Base..

The island, officially called Pine Key, is owned by a group of private investors.

Billor says he was inspired by his many trips to the island with family and friends.

"It kind of just started coming to me from my many years of coming to this island before," said Billor. "Everybody always has a blast on this island." There's also a music video shot over several days on the island.

When he isn't playing gigs around town, he enjoys fishing and golfing.

Billor believes he has what it takes to get a foothold in country music. For the 99¢ it takes to purchase and download the song, you can help him at a chance for a record deal. The song is available on iTunes, Google Play, and Amazon.

**Chuck Freeman** was born and raised on the road with his Navy father and the family, but his teen years were spent in Memphis, TN, home of the blues, Elvis, and great BBQ. Chuck learned to play guitar at an early age and has been enamored of music ever since.

He started in 2013 with the production of an album called "Running From Love",

by his band, The Chuck Freeman Band. "Mexico" a Trop Rock flavored entry debuted at #8 on Radio AIA's, Weekly Trop 40, and is still being played on many Trop Rock stations. Running From Love, First Time, and Fireworks are also receiving play on Cruisin' Radio and other stations.

The second album, "Get It! Get It!", featured seven original tunes vocalized by Mickey Utley, also one of the writers.

**Joe Downing** is Middletown, Ohio born and Nashville, Tennessee bred and knows how to rock and roll. His single "Sail To The Moon" spent two weeks at Number 1 on Radio AIA's Trop 40 in the Spring of 2018. Downing came up listening to everything from the Motown sound to the popular recording artists of today. He believes great art can inspire great art, as some of his biggest influences include Sam Cooke, Tom Petty, Jimmy Buffett and Van Morrison just to name a few.

# Fund Raiser

## *Korks For Kids*

Hi Fellow Parrot Heads,

I am Susan Seamon from the Tampa Bay Parrot Head Club and the Chair of the KORKS FOR KIDS fund raiser that takes place at Music on the Bay. We are reaching out to other Florida clubs for help growing this fundraiser. What is needed are bottles of alcohol (wine or liquor, no beer please) valued at \$20.00 or more and the more unique the better (but a good old bottle of Captain Morgan works as well).

I was hoping there is someone in your club that would be willing to champion this cause. Maybe just to ask members to donate or to solicited help from local liquor store or bars. After the bottles are collected I would be willing to come pick them up. I order to get everything organized by MOTB I would need to get the bottles by 2/20/19. My contact information is below.

To the right is a flyer and donation letter from MOTB that may help in getting some donation.

### **HOW THE GAME WORKS**

There will be Korks with numbers on them relating to the bottles on the table and we will sell the Korks for \$20 each. When all Korks are sold, you come up and claim your bottle. EVERYONE IS A WINNER! The only chance you take is what type of booze you will win.

**Would like to say thank you in advance for any help you can give in the matter.**

On Saturday we are hosting a Raffle called "Korks for Kids" to raise money for the Tampa Hospital. MOTB is successful because of the individual Parrot Heads and local businesses that support us and our enthusiasm to raise money for Shriner's Hospital for Children. Our projects and friendships have cemented the bonds between us. To date MOTB has raised \$269,500 and in 2019 the funds will go to the Mobile Analysis Lab

## WEDNESDAY

Music on the Bay kicks off with a special party sponsored by the Tampa Bay Parrot Head Club on Wednesday, February 27th. This day is open to everyone and registration for Wednesday is not required. (In other words, it's FREE!)

Music on the Bay is excited to announce our official line up of music for Wednesday, February 27th. Volunteers setting up along with those arriving early to MOTB will be thrilled to enjoy music starting at 2 pm on Wednesday!

## THURSDAY

Straight from the Tropics of Tennessee, Steve Hopper kicks things off Thursday afternoon from 2-4pm.

As we continue to refine the schedule for Music on the Bay, we can let you know that Thursday from 4-6pm "Jeff & The Camaros" will be playing for us. Originally from Georgia but now living near Panama City, Florida, Jeff Brewer is no stranger to the Trop Rock world with his infectious enthusiasm

involving the crowd while playing. You may recall being handed a mustache to wear while he plays and sings JB's "Pencil Thin Mustache". Jeff is a great addition to our line up!

Directly following will be Brent Burns from 6-8pm. Brent

# Music On The Bay 2019

is from Gulf Shores, Alabama and has won several TRMA awards going all the way back to the beginning in 2008 and many since then. A war vet and Purple Heart recipient, he was the first American entertainer to perform for troops overseas after the tragedy of Sept 11th. You may recognize one of his songs played on many of the trop rock radio stations, "I've Got a Beach in My Backyard".

Finishing out the evening on Thursday is none other than Jerry Diaz & Hanna's Reef from 8-10pm. A "Gulf Coast Beach Band" from Galveston, Texas, the band plays their brand of "fun in the sun" with a luau atmosphere on

stage. You'll hear tropical elements of steel drums and Latin percussion with the driving beat of rock and roll.

## FRIDAY

To start out the day we have The Cabana Dogs, a trop rock, beach party band out of Sarasota, Florida. Get out of your seats and start dancing!

Then we have Barefoot Reggie Starrett from Georgia. Reggie is a singer/songwriter who has teamed up with Donny Brewer in co-writing several songs including 2017 TRMA "Song of the Year" award, "Rum & Something" and this year's nominee again for TRMA "Song of the Year", "Back to the Sun".

Next is the Young Rebel Boombas out of Long Island, NY. This group is high energy with Emmy winning song writers Richie Saccante and Cosmo Mallardi. Music is fresh and new.

They will be followed by John Frinzi and Doyle Grisham. John Frinzi is a gifted singer/songwriter touring nationally playing over 250 dates a year. Doyle Grisham plays sliding steel guitar for Jimmy Buffet's Coral Reefers and joins Music on the Bay for the second year in a row!

Jimmy and the Parrots is up next. Jimmy is out of New Jersey and has a Caribbean beach sound. You may also recall him on the Parrot Head Documentary that was made a couple years back. Jimmy was TRMA's "Entertainer of the

Year" in 2012 and 2014!

Donny Brewer is no stranger to the Trop Rock world. He won 6 TRMA awards last year and is up for 5 more this year! He will have the Dock Rockers Band with him this year at Music on the Bay 2019.

Closing out the night will be Jim Asbell and the Tropiholics from Atlanta, Georgia. Playing Gulf Coast Music with a tropical attitude, the Tropiholics include a brass instrument section for the strong, full, island sound!

## SATURDAY

Saturday, March 2nd, we will be starting out the day with none other than our favorite emcee, since almost the beginning, Sunny James White! Sunny Jim is an 8X TRMA winner and is known across the globe! Originally from Texas, raised in California, James launched his music career in the Cayman Islands. Many of his island songs come from his experiences and characters from that part of his life. Make sure to bring your "adopted monkey's" from the last MOTB during this set as I am sure he will have one or two songs about monkey's! Other friends may drop in for this set as well!

Although our Line Up for Music on the Bay 2019 is complete we have added two very talented musicians that will be playing along side Jim as well as others. We are excited to have Heather Vidal and Kristine Jackson joining us at MOTB this year!

Heather was a voice major in college and continued performing on the road after graduating. Realizing the road, at that time, wasn't for her, she took a 10 year break pursuing sales and marketing only to be reawakened when brought back on stage at a private party. When not on stage, Heather passes on her gifts

# Music On The Bay 2019

as a talented guitar, piano and vocal instructor in Central Pennsylvania.

Kristine Jackson is a traveling minstrel rooted in the blues with gritty and organic song writing. And now, perhaps influenced by her boating life and love of the water, some of KJ's new material has a tropical vibe. You may have seen her at MOTM or perhaps even on the beaches of Treasure Island in Pinellas County, Florida!

A highly interactive band from Pittsburgh, Corned Beef & Curry will be returning and on the schedule Saturday. This band is known for their high energy combining Celtic music with American Classic Rock in foot stomping, hand clapping, beer-drinking fun! You don't want to miss them!

Music on the Bay would not be complete without Mr. Bill Wharton, the Sauce Boss, with his famous gumbo. MOTB 2019 is excited to have him back with us on Saturday March 2nd!

Take that 53 Telecaster, pump it through that old tweed Fender amp, add a bass rig, mix in some drums, all simmered down over some funky swamp blues, and smothered with gumbo, and you have a recipe for a very good time. It's a Soul Shouting Picnic of Rock and Roll Brotherhood.

There's a lot of audience participation. Everybody is encouraged to sing, to dance, and to come and put the stir on the Gumbo. At the end of each show, meet the Shriner kids and make a donation (for the kids) and receive a bowl of gumbo!

Another returning band on Saturday will be

Jeff Pike and the AIA band out of Atlanta. Known as the official and original Jimmy Buffett Tribute Show since 1992, AIA continues to entertain crowds wherever they go. They have performed with Jimmy Buffett and Mac McAnally and were even featured in a major motion picture in 2012. As a singer/songwriter, Jeff and his band have released two live CD's and 10 CD's of original music.

We hope you have registered for this exciting event! You don't want to miss this great musical line-up!

## SUNDAY

Due to scheduling issues The Big Bamboo Band will not be able to perform at Music on the Bay 2019. With that being said, we are delighted to be able to fill that time slot with the "Barefoot Man" (George Novak), along with Sunny James White and John Patti.

We are happy to announce that the Trop Rock Junkies will play from 12-2pm on Sunday. Steve Tolliver leads this group and received TRMA's Songwriter of the Year in 2014. The TRJ's will have you up out of your seats dancing in the sand with their beach party music!

Following them will be the Cory Young Band featuring Ty Thurman. Cory comes from the Nashville music scene with a flair for songwriting that shapes the music he plays today. A little country with a bit of salt and lime and a fair dose of classic rock, Cory shares his unique style within the Trop Rock genre. Cory is TRMA's 2018 Horizon Award winner and TropRocking Magazine's 2018 People's Choice Award—Breakthrough Artist. Ty Thurman is a singer, songwriter and guitarist from the Florida Keys and has TropRock #1 hit "Beach Balls." Ty co-wrote with Cory the song "All She Does is Beach".

Southern Drawl Band will be closing out our event on Sunday from 4-6pm.

## Stay tuned for more surprises!

*Tampa Bay Watch is proud to announce the new Tampa Bay Watch Discovery Center*

Tampa Bay Watch will be opening a second education center and exhibition hall at the new St. Pete Pier, where our citizen science programs will expand public involvement in scientific discovery.

Opening in fall 2019, the Tampa Bay Watch Discovery Center will enhance our education and outreach missions. The 3,000 square-foot facility will open with a soaring exhibition hall that will bring our ecosystem up close and personal to visitors from around the corner—and around the world! The focal point of the exhibit hall is a centerpiece aquarium that showcases many of the species found in our local waters. Touch tanks, interactive displays, video presentations, and docent-led tours will combine for an unforgettable experience and a newfound respect for our local environment. The public exhibition hall will double as a venue for special events, corporate events, weddings, or other public/private meetings.

The discovery center will offer school field trips inviting students of all ages to explore flora and fauna while learning valuable practices that can help preserve our environment. Eco-tours will focus on Tampa Bay history and species population studies with activities like fisheries trawls and bird species identification.

**For information about funding needs for the new Discovery Center, contact Pamela Arbisi or call 727-867-8166, x222.**

## Parrot Needs Forever Home

Hello one and all! My name is Chicken and am an approximately 5-year old male Sun Conure. I came from a very loving home, but when they felt they did not have enough time for me they asked Florida Parrot Rescue to help find me a new home. I really love my foster mom's house, but I'm excited to meet my forever family. I would do best in a home without small children, since I like a lot of attention and don't want to share!

I am a sweet boy and I love sitting on your shoulder and getting head scratches. I will step up for you anytime. My foster mom says I give "the best kisses in the world!"

I have a good appetite and will try anything you offer me. My favorite thing to eat are actually my healthy pellets! They are so good for me and help keep me looking beautiful! I also love fruits and vegetables, especially apples, banana, carrots, and kale.

If you're looking for a bird with lots of love and snuggles to give, why not fill out an application below?

Chicken would love a "welcome to foster" present. You can view his wishlist here: <https://www.amazon.com/hz/wishlist/ls/451M6UOPBUK1>

Interested in adoption? Please go to our website to fill out an application, view adoption fees and to read our adoption protocols at <http://floridaparrotrescue.com/adopt-foster-application/>

An avian veterinarian has properly vetted all birds before they are placed up for adoption. Adoption fees include the bird's cage IF the bird has a cage - most do, but please ask!

Please e-mail us at [adoptions@floridaparrotrescue.com](mailto:adoptions@floridaparrotrescue.com) for any questions!

## WHAT IS A PARROT HEAD?

### We are Parrot Heads because

We love the ocean  
We love the planet  
We love to have fun

### We are Parrot Heads because

We are not afraid to be silly  
We are not afraid to act foolish  
We are not afraid to love

### We are Parrot Heads because

We like scantily clad members of our favorite sex  
We like playing in the sun with those same members  
We like singing songs that say all those things

### We are Parrot Heads because

We believe the best things in life can't be bought  
We believe sharing the best things makes them better  
We believe in the innate goodness in all of us

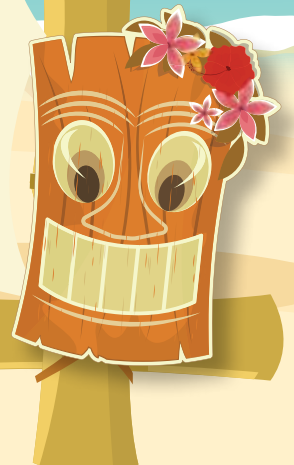

### We are Parrot Heads because

We know shared joy is increased  
We know shared pain is lessened  
We know a good friend has value beyond measure

### Jimmy Buffett sings about all these things

So, we are not Parrot Heads because we are Jimmy Buffett fans

***We are Jimmy Buffett fans because we are Parrot Heads!***
